## ***Thoughts from the Pastor's Desk ...***

Dear friends of Blessed Trinity,

A practice in prayer and spiritual reading I once learned in seminary I share with you. I remember a spiritual director once inviting me to say my name in the place of "Israel" when praying the psalms or reading the Old Testament prophets. As you know, "Israel" is another name for Jacob, the son of Isaac, the son of Abraham with whom God establishes an everlasting covenant. "Your descendants shall be as numerous as the stars of the sky" (Gen. 22:17). "Israel" therefore refers to the "People of God", the ones whom God has called to Himself and with whom He seeks to be forever united. Who are the People of God therefore but you and I, the Church.

If we listen to the First Reading from the Prophet Isaiah today in this way, be reminded again what we hear: *"The LORD said to me: You are my servant, (your name), through whom I show my glory"*.

**WOW!**

You and I are beloved to the Lord! You and I are in relationship with the living and true God and we are chosen by name! We have been called into His service and it *us* through whom His glory is shone to the world!

Reading further, "It is too little, the LORD says, for you to be my servant ... I will make you a *light to the nations*, that my salvation may *reach to the ends of the earth*"!

United in the person of Jesus Christ, in a holy communion of body and blood, soul and divinity, the Church is a new Israel. You and I are members of the mystical Body of Christ, the People of God. We have been set apart for service and faithfulness. Entering into the new and eternal covenant that has been established between Heaven and Earth, you and I are invited to fulfill the will of God for the salvation of the souls, for the hope of the world. Be not afraid therefore to respond: "Here am I, LORD, I come to do your will"!

*Most Holy Trinity, I adore You!*

*My God, I love you in the Most Blessed Sacrament!*

## SAINT MARIANNE COPE—FEAST DAY JANUARY 23

Barbara Koob (now officially "Cope") was born on 23 January 1838 in SE Hessen, West Germany. She was one of 10 children born to Peter Koob, a farmer, and Barbara Witzembacher Koob. The year after Barbara's birth, the family moved to the United States.

The Koob family found a home in Utica, in the State of New York, where they became members of St Joseph's Parish and where the children attended the parish school.

### SISTERS OF ST FRANCIS

Although Barbara felt called to Religious life at an early age, her vocation was delayed for nine years because of family obligations. As the oldest child at home, she went to work in a factory after completing eighth grade in order to support her family when her father became ill.

Finally, in the summer of 1862 at age 24, Barbara entered the Sisters of St Francis in Syracuse, N.Y. On 19 November 1862 she received the religious habit and the name "Sr Marianne", and the following year she made her religious profession and began serving as a teacher and principal in several elementary schools in New York State.

She joined the Order in Syracuse with the intention of teaching, but her life soon became a series of administrative appointments.

### GOD HAD OTHER PLANS

As a member of the governing boards of her Religious Community in the 1860s, she participated in the establishment of two of the first hospitals in the central New York area.

In 1870, she began a new ministry as a nurse-administrator at St Joseph's in Syracuse, N.Y., where she served as head administrator for six years. During this time she put her gifts of intelligence and people skills to good use as a facilitator, demonstrating the energy of a woman motivated by God alone.

Although Mother Marianne was often criticized for accepting for treatment "outcast" patients such as

@blessedtrinityparishgreenfield

www.blessedtrinitygreenfield.org

# OUR FAITH.

alcoholics, she became well-known and loved in the central New York area for her kindness, wisdom and down-to-earth practicality.

In 1883, Mother Marianne, now the Provincial Mother in Syracuse, received a letter from a Catholic priest asking for help in managing hospitals and schools in the Hawaiian Islands, and mainly to work with leprosy patients. The letter touched Mother Marianne's heart and she enthusiastically responded: "I am hungry for the work and I wish with all my heart to be one of the chosen ones, whose privilege it will be to sacrifice themselves for the salvation of the souls of the poor Islanders.... I am not afraid of any disease, hence, it would be my greatest delight even to minister to the abandoned "lepers".

## **A MOTHER TO THE LEPERS**

She and six other Sisters of St Francis arrived in Honolulu in November 1883. With Mother Marianne as supervisor, their main task was to manage the Kaka'ako Branch Hospital on Oahu, which served as a receiving station for patients with Hansen's disease gathered from all over the islands.

The Sisters quickly set to work cleaning the hospital and tending to its 200 patients. By 1885, they had made major improvements to the living conditions and treatment of the patients.

In November of that year, they also founded the Kapi'olani Home inside the hospital compound, established to care for the healthy daughters of Hansen's disease patients at Kaka'ako and Kalawao. The unusual decision to open a home for healthy children on leprosy hospital premises was made because only the Sisters would care for those so closely related to people with the dreaded disease.

## **BL. DAMIEN AND MOTHER MARIANNE**

Mother Marianne met Fr Damien de Veuster (today Blessed Damien is known as the "Apostle to Lepers") for the first time in January 1884, when he was in apparent good health. Two years later, in 1886, after he had been diagnosed with Hansen's disease, Mother Marianne alone gave hospitality to the outcast priest upon hearing that his illness made him an unwelcome visitor to Church and Government leaders in Honolulu.

In 1887, when a new Government took charge in Hawaii, its officials decided to close the Oahu Hospital and receiving station and to reinforce the former alienation policy. The unanswered question: Who would care for the sick, who once again would be sent to a settlement for exiles on the Kalaupapa Peninsula on the island of Molokai?

In 1888, Mother Marianne again responded to the plea for help and said: "We will cheerfully accept the work...". She arrived in Kalaupapa several months before Fr Damien's death together with Sr Leopoldina Burns and Sr Vincentia McCormick, and was able to console the ailing priest by assuring him that she would provide care for the patients at the Boys' Home at Kalawao that he had founded.

## **OPTIMISM, SERENITY, TRUST IN GOD**

Together the three Sisters ran the Bishop Home for 103 Girls and the Home for Boys. The workload was extreme and the burden at times seemed overwhelming. In moments of despair, Sr Leopoldina reflected: "How long, O Lord, must I see only those who are sick and covered with leprosy?".

Mother Marianne's invaluable example of never-failing optimism, serenity and trust in God inspired hope in those around her and allayed the Sisters' fear of catching leprosy. She taught her Sisters that their primary duty was "to make life as pleasant and as comfortable as possible for those of our fellow creatures whom God has chosen to afflict with this terrible disease...".

Mother Marianne never returned to Syracuse. She died in Hawaii on 9 August 1918 of natural causes and was buried on the grounds of Bishop Home. ([www.vatican.va](http://www.vatican.va))

## DAY OF PRAYER FOR THE LEGAL PROTECTION OF UNBORN CHILDREN—JANUARY 22ND

“A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer.”

Pope Saint John Paul II  
Evangelium Vitae

On January 22, 1973, the Supreme Court legalized abortion throughout the United States in its companion decisions *Roe v. Wade* and *Doe v. Bolton*. Since that time, millions of children have lost their lives, and millions of women and families have been wounded by abortion.

On June 24, 2022, the *Dobbs v. Jackson Women's Health Organization* decision overturned *Roe v. Wade*, and we praise God for the great opportunity state and federal legislators now have to protect pre-born children. While God, in His mercy, ended the nearly fifty-year nationwide regime of abortion on demand, right now state and federal laws, in many instances, are still hostile to pre-born children. So, great prayer and advocacy is very needed.

The General Instruction of the Roman Missal (GIRM), no. 373, designates January 22 as a particular day of prayer and penance, called the "Day of Prayer for the Legal Protection of Unborn Children":

*In all the Dioceses of the United States of America, January 22 (or January 23, when January 22 falls on a Sunday) shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion. The liturgical celebrations for this day may be the "Mass For Giving Thanks to God for the Gift of Human Life" (no. 48/1 of the Masses and Prayers for Various Needs and Occasions), celebrated with white vestments, or the Mass "For the Preservation of Peace and Justice" (no. 30 of the Masses and Prayers for Various Needs and Occasions), celebrated with violet vestments.
