

## Legacy Giving: Including Blessed Trinity Parish in Your Will or Trust

Thank you for your desire to leave a legacy gift to Blessed Trinity Parish through a bequest in your will or trust. We are grateful that you would include our Parish among those dearest to you and honor us with this ultimate gift.

If you are creating a new will or trust, it is simple to include a provision for our Parish. If you already have a will, adding our Parish is as easy as completing a simple codicil. Please consult your attorney in creating both a will and a testamentary codicil as there may be requirements specific to your situation. There are also free online services that can help you begin the process, such as [freewill.com](http://freewill.com) and [mycatholicwill.com](http://mycatholicwill.com)<sup>1</sup>.

While Blessed Trinity Parish is not engaged in legal or tax advisory service, the following language may be helpful:

*I give, devise, and bequeath \_\_\_\_\_ % of my estate (or \$ \_\_\_\_\_) to Blessed Trinity Parish, to be used for the following purpose \_\_\_\_\_ (e.g. general support, faith formation programming, clergy support, building maintenance). If, in the opinion of the Parish, all or part of the funds cannot be applied in conformance with the purposes stated, Blessed Trinity Parish may use the funds for such other purposes as the Parish deems practicable to effect the intent of the donor. All decisions of the Parish in the exercise of its discretion in this regard shall be final and binding on all concerned parties.*

We would be very glad to help you find a meaningful designation for your bequest. Please contact the church office at 413.773.3311 or [office@blessedtrinitygreenfield.org](mailto:office@blessedtrinitygreenfield.org) for more information.

Once you have added our Parish to your will, please notify the Parish office so that we may thank you for this extraordinary step and enroll you in our Saint Katharine Drexel Legacy Society.

Thank you and may God bless you for your generosity to His Church!
