OFF-CAMPUS COURSEWORK ENROLLMENT AND GRADING

Regina students may enroll in classes at off-site locations after receiving approval for the class by completing an Off Campus Course Request Form. All requests will be made through the Guidance Office and the Counselor will make the final decision. **Students will be given graduation credit for the class when proof of completion is provided by the associated educational agency. However, the class grade will not be used in figuring the student's G.P.A.**

The following are examples of typical coursework which may be credited and appear on the student's transcript but will not be considered in the computation of the student's grade point average:

- Post Secondary Educational classes from colleges or universities
- Off-Campus High School Courses. Courses may be taken off campus and applied toward the credits needed for graduation
- Internships or Career Academy Programs offered through an accredited institution (e.g. Kirkwood Edge Program).

Rationale:

Regina HS students may consider post-secondary class options once they have fulfilled the standard high school curriculum and desire more challenging material. On rare occasion they may elect to substitute an appropriate college course for a comparable Regina offering because of scheduling limitations. But it must be understood that these are no longer considered secondary educational classes. Students taking post-secondary classes are considered to be beginning a college transcript. Regina High School only has jurisdiction over grading and class procedures for classes it sponsors and not for these off-site classes. Therefore, grades received from off-campus coursework not specifically offered by Regina High School will not be considered in the student's grade point average (GPA).

AP CLASS GRADE WEIGHTING POLICY

Weighted Grades

Only Regina AP Classes and Regina-approved online AP Classes will receive weighted grades. Such approved Advanced Placement coursework will be "weighted" according to the following grading scale:

A	4.50
B	3.25
C	2.10
D	1.00
F	.00

All grades below a C- will receive credit based on the non-weighted grading scale.

This policy will be published in the student handbook
