## 2<sup>nd</sup> Sunday of Easter

INTIMACY, JOY, AND LIFE-GIVING

# POWER

It's common for Catholics to hear the question, "Why do I have to go to a priest to have my sins forgiven?" I've never liked that question because not only is it clunky (confession is the ordinary way for the pardoning of serious sins, not lesser ones). But it misses the larger context: the wonderful origins of the sacrament itself. And this context is deeply Jewish.

Ancient Jews associated forgiveness of sins with priests offering sacrifices in the Jerusalem temple. It was a solemn, public, and tangible way to access God's mercy. So when the risen Jesus breathes on the Apostles and says, **"Whose sins you forgive are forgiven them, and whose sins you retain are retained" (John 20:23)**, the upshot is remarkable: he is the new temple and his Apostles are the new priests. Jerusalem is no longer the place to find forgiveness from sin. Jesus' body, the Church, is.

So why should we go to the Sacrament of Confession? For the same reason ancient Jews went to the temple in Jerusalem: to experience the intimacy, joy, and life-giving power of God's eternal forgiveness.— *Father John Muir* ©LPi

## Sprinkling Rite

The rite of sprinkling, also called the Asperges rite, describes the act of sprinkling the congregation with holy water, an action which recalls the new life we received in the waters of our baptism.

If this rite is performed during Mass, it takes the place of the penitential act.

The sprinkling rite usually takes place on Sundays during the Easter season but is permitted on any Sunday. When it is completed, the congregation sings the Gloria.

The name "asperges" comes from the first line of Psalm 51, a penitential psalm that begins with the words "Have mercy on me." In the Extraordinary Form of the Mass, the Asperges rite is done before each principal Mass, except on Palm Sunday.

## The next opportunity to help serve a meal at the Salvation Army is Friday, May 2nd.
