4th Sunday of Easter John 10:27-30

Listening
in silence.

A few years back, I felt as if I couldn't hear God's voice the way I used to. The words in the Bible seemed like cold ink on a page. Prayer felt like sitting anxiously in a lonely room. I was worried — how could I, a priest,

preach or help others if I couldn't hear God's voice? It went on for months.

Then a friend encouraged me to go on a retreat and spend as much time as possible in silence. After a day or two of quiet prayer, I noticed gentle but clear thoughts of repentance in two specific areas of my life. I asked God for the grace to change, and I went to confession. Suddenly, the divine silence that haunted me was filled with a sense of God's closeness and goodness. I realized, gratefully, that God had been speaking to me in the quiet voice of my conscience.

This week we hear Jesus say, **"My sheep hear my voice. I know them and they follow me"** (John 10:27). Jesus links the hearing of his voice to following him. He speaks to us in our conscience in an intimate, personal way, when we most need to hear him. When you feel deaf to God's voice, perhaps it is time to listen in silence for His voice in your conscience calling you to hear and follow the Good Shepherd of your soul. — *Father John Muir* ©LPi

Pro-Life Corner: "Radical solidarity compels us to come alongside vulnerable mothers in profound friendship, compassion, and support for both them and their preborn children. It requires us to address the fundamental challenges that lead an expectant mother to believe she is unable to welcome the child God has entrusted to her.

We must do all we can to provide mothers, children, and families with the support they need to flourish. This cannot be accomplished by laws or policy alone, but requires the continual transformation of our own hearts, recognizing in every person the face of Christ, and placing their needs before our own."

We ask you to bless them with your own special love. Amen.

History of the Rosary

Question:

What is the history of the rosary? Where did this prayer come from?

Answer:

Although a longstanding tradition attributed the rosary to Saint Dominic and the Dominican Order, the practice of using beads to count prayers predates the Dominicans by a few hundred years. In fact, it seems that what we now think of as the rosary (which means “garland of roses”) was first developed by illiterate peasants and religious brothers and sisters as a way of offering 150 “Our Fathers” to replace the praying of the 150 psalms in the Divine Office.

The practice of reciting 150 Hail Marys (which was later subdivided into 15 decades of 10 Hail Marys) arose during the late Middle Ages. Devotion to the rosary began to flourish in the nineteenth century, especially as new devotions to Mary began to spread throughout Europe and the New World. An annual liturgical celebration of Our Lady of the Rosary was introduced into the Church calendar in 1573 and it has been observed on the date of October 7 since 1913.

In the apostolic letter *On the Most Holy Rosary*, Pope Saint John Paul II not only added five new mysteries to the traditional fifteen, but he also reminded Catholics that the rosary is, at its core, an opportunity to go deeper into the life of Jesus: “The rosary, though clearly Marian in character, is at heart a Christocentric prayer ... It has all the *depth of the Gospel message in its entirety*, of which it can be said to be a compendium. It is an echo of Mary’s prayer, her perennial *Magnificat* ... With the rosary, the Christian people sit at the school of Mary and are led to contemplate the beauty of the face of Christ and to experience the depths of his love” (no. 1). ©LPi
