## Circle of Grace should be scheduled for your Faith Formation and School curriculum.

Please remember the children's program must be presented this fall prior to Thanksgiving. The program should be incorporated in all Faith Formation programs with youth and in any Diocesan School classes. This is a yearly mandatory program to meet Safe Environment requirements for your parish and/or school.

If you wish to view just the curriculum or forward the curriculum to your teachers or catechists, please send the curriculum link and include the password:

## Updated Employee Background Check and Costs

We've updated our Employee and Educators background checks to include a Federal check starting October 1st. Moving forward, you will notice that the employee background checks are no longer \$20, but will be charged at \$26 each, to incorporate this additional check.

Please let me know if you have any questions!
