Circle of Grace should be scheduled within your Faith Formation and School curriculums!

Please check with your leaders that the children's program is scheduled this fall prior to Thanksgiving. This program should be incorporated in all Faith Formation programs with youth and in any Diocesan School classes. This is a yearly mandatory program to meet Safe Environment requirements for your parish and/or school.

If you wish to view just the curriculum or forward the curriculum to your teachers or catechists, please send the curriculum link and include the password:
