## Is the Circle of Grace Children's Curriculum already scheduled at your school and in your parish faith formation calendar?

All catechetical programs for children in the Diocese of Madison - both those in our Catholic schools and those in our parish religious education programs - (Including Family Catechesis!) are required to present the lessons that are found in the **Circle of Grace** program.

- Also, send the curriculum link to catechists and teachers for them to print out to review and prep for teaching the lessons (Password: COGMadison for the curriculum
