Veterans Helping Veterans USA is dedicated to serve, support and advocate for the 46,000 Veterans residing in Marion County, Florida. We are the largest non-governmental social service agency in central Florida, as well as the only "one stop shop" in the state to offer a multitude of services in one location to Veterans and their families experiencing tough times.

OUR NAME IS OUR MISSION

The first 80 people to donate a minimum of \$40 will receive a meal with proof of donation!

Your support helps homeless Veterans and at-risk Veterans right here in Marion County.
