

CONFIRMATION PREPARATION

Confirmation preparation presumes that the candidate has already completed one year of formation after 7th grade and is already living and committed to the Catholic faith. Before a teen can join the Confirmation preparation sessions, he or she must apply for the program, testifying to their readiness. Readiness means they are actively participating in the life of the Catholic Church by attending Sunday Mass, praying daily, striving to live as a disciple of Jesus, and that they believe the teachings of the Church.

TEENS MUST APPLY & INTERVIEW TO BE ADMITTED TO CONFIRMATION PREP. Contact Celine Peterson to do so.

Teens in Confirmation preparation must also turn in bulletins from Sunday Mass.
