Greetings (Boozhoo Aaniin)!

Happy Easter everyone, and I pray that your Easter season is going well! What an exciting Easter it is so far! Not only a new pope, Pope Leo XIV, but one that was born and raised in the United States! This news was a great joy and one that surprised not just me, but most of all Catholics throughout the world! We here in the US been told that no one from our country would be pope, but like always, we are wrong. I personally would say that this is a great reminder that Jesus calls the man he wants for pope. Please continue to pray for our Holy Father as he begins his new assignment as Victor of Christ. I would like to take the rest of this article to speak about some great opportunities for our parishes!

First, we are looking at investing in our parishes beginning this year. We need to begin holding fundraising events, especially for our faith formation department. We are beginning to plan to raise money at the Deer River's Wild Rice Festival by setting up a party tent. We are desiring to sell burgers, brats, chips, pop/water on that Saturday. Furthermore, we are planning to invite local artists to play their music (for tips only). I was in the music industry for a time, and I know that local artists love taking opportunities to be able to play their music! Rick Norris would like to gather the men of the parishes to hosts pancake breakfasts and other meals to raise money for faith formation! I pray that men will take this opportunity to come together! I am hoping we can do the same at Saint Charles!

Secondly, we are looking at investing in the parish in a non-monetary way. Rick Norris and I are desiring to begin a men's group. This group would come together to do activities that would help each other grow and live out the faith! This could be bible studies, inviting each other over to homes, fishing, building healthy relationships, etc. You may contact Rick Norris if you are interested, and Rick will also reach out to the men of the parishes. I do hope the women of the parish will also take advantage in forming a women's group.

I am very excited to see the parish coming alive through events and groups! As I mentioned before, do know that an active parish is a healthy parish, and you will notice that more activities will happen at our parishes as the years come. Before I forget, our parish picnic schedule will come out soon! May God continue to bless you and your family!

God bless,
Father Trevor

Prayer to the Shoulder Wound of Jesus

O Loving Jesus, meek lamb of God, I, a miserable sinner, salute and worship the most Sacred Wound of Your Shoulder on which you bore Your heavy Cross, which so tore Your Flesh and laid bare Your Bones as to inflict on you an anguish greater than any other wound of Your Most Blessed Body.

I adore You, O Jesus most sorrowful. I praise and glorify You and give You thanks for this most sacred and painful Wound. I beseech You, through that exceeding pain and by the crushing burden of Your heavy Cross, to be merciful to me, a sinner, to forgive me all my mortal and venial sins, and to lead me on towards Heaven along the Way of Your Cross. Amen
