Emphasis Two on Healing and Hope: Holy Scriptures and Holy Eucharist

The timing for moving to the Second Emphasis of Hope will be discerned by the local Mission Field and its leadership. The sequence of these areas of emphasis are meant to build upon each other, to be cumulative in their strategy and implementation. It is not as though we have finished with the Emphasis on Healing and we are moving on to the Emphasis of Hope. Rather, it is intended to be cumulative, a generation of "mission energy" that ultimately carries us into being so filled with the healing and hope we find in Jesus that we want to be disciples on mission as we share with others the healing, hope and joy that Jesus wants to give to all people. Thus, we will decide within the Mission Field when and how we are ready to equip disciples on mission with the necessary abilities and tools to accompany and lead all people to Jesus Christ and the Kingdom of God.

Emphasis Two on Healing and Hope will coincide with the parish phase of the National Eucharistic Revival. Beginning with the Feast of Corpus Christi in June 2023, this will be a possibility for Mission Fields to emphasize the Liturgy of the Word and the Scriptures as being God sources of healing and hope.

The second part of this emphasis on healing and hope will embrace the Liturgy of the Eucharist, with a focus on the Real Presence of Jesus Christ and reverence for the Eucharist, authentic Christian hospitality, cultivating a deeper embrace of sacred music and excellent preaching.

Emphasis Three on Healing, Hope and Joy: Joyful Disciples on Mission

Emphasis Three on Healing and Hope and Joy will emphasize our call not only to be a disciple, but the mandate of Jesus to be disciples on mission as we are sent forth to share our healing, hope and joy with others that we have discovered in Jesus, through us others may come to know and believe as well. This emphasis will provide training and formation as to how do I introduce others to Jesus and then walk with them in our Emmaus encounter with Jesus and the Eucharist.

Getting to know your Bible.

"Tell the rich in the present age not to be proud and not to rely on so uncertain a thing as wealth but rather on God, who richly provides us with all things for our enjoyment. Tell them to do good, to be rich in good works, to be generous, ready to share, thus accumulating as treasure a good foundation for the future, so as to win the life that is true life." - 1 Timothy 6:17-19

Thanksgiving is right around the corner already! And we are only two weeks away from the first Sunday of Advent. Formed has a new series available called "How to Advent". It is a wonderful series that helps us not only learn more about what Advent is, but how we can reclaim Advent and to actually prepare for the coming of Christ. Use the QR code to check it out!

Answer: Mount Tabor

Question: According to tradition, upon which mountain did the Transfiguration of Jesus take place? The answer is somewhere in the bulletin.

What's Happening at St. Mary's

Remember the sign-up sheets? The men's group has met and are planning a pancake breakfast fund raiser in the near future. The women's group will be getting started in the near future. We greatly appreciate those who signed up for serving our parish and you will be notified when training begins. We have 6 parishioners who signed-up to count the collection, so now we can rotate the counters to follow the Diocesan protocols for collection counters. We would like to take this opportunity to say **THANK YOU** to Gwenn Smith, Sue Dewitt, Ray Guertin & Shelly Tesch for their dedication and service for counting the collection for all those many years. Now you can finally get a break. You are always welcome to come back. We are still looking for more parishioners to help with the liturgy and all the behind the scenes activities. Our parishes can not operate without your help, so please consider serving our parishes the rewards are out-of-this-world. (Get it?)

May Our Lord Jesus the Christ bless you with His abundant healing, hope and joy.
