Devotions, Explained!

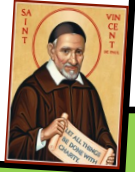

Examination of Conscience:

The practice of examining one's conscience dates to the very begging of the Christian faith. It simply calls for reflection on one's actions, making note of lapses in judgement that should be confessed in the Sacrament of Reconciliation. In Paul's First Letter to the Corinthians, the apostle writes that it is imperative for a Christian to reflect on his conscience before he partakes of Holy Eucharist: "Let a man examine himself, and so eat of the bread and drink of the cup" (1 Corinthians 11:28). An examination of conscience simply means reflecting on one's actions (and particularly the intentions behind those actions) since the penitent's last absolution, making note of lapses in judgment that should be confessed. A good basis for this reflection can be the Ten Commandments, the Beatitudes and the seven deadly sins. ©LPi
