FAQs

How much preparation time is required?

The majority of preparation time consists of assigned reading. Participants should expect to spend 3 - 4 hours reading in preparation for every 2 hours spent in class. Many also find it helpful to review the questions contained in the handout packet before beginning the reading.

Participants are required to prepare material prior to class. During class, participants are expected to engage with the material and one another under the direction of the instructor.

The reading list and study questions for each course can be found at www.archgh.org/ftcm

How many classes can be taken at once?

With approximately 3 hours of preparation for each 2-hour class, participants are cautioned against taking two courses in the same week. If taking two courses in the same week is necessary, plan to complete at least some of the preparation before classes start.

It is NOT advisable to attempt three courses in the same week.

Is there a required order to the courses?

Though courses may be purchased in any order, participants are urged to consider the following:

The completion of the Introduction to Scripture is strongly recommended before taking either Old or New Testament

It is recommended that one complete Church History 1 before attempting Church History 2
