Dear Parents,

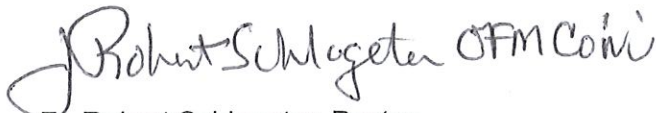

We are all shocked and saddened by the shooting at Annunciation Catholic Church/School on the south side of Minneapolis. It is hard to fathom, but it is being reported that the shooting happened while the school children were at Mass in church.

Let's be close in prayer with everyone involved.

Rest assured that our children's safety is and has always been our most important priority. Providentially, we were already in conversation with Captain Robert Sherman of the Bayhead Police Department, one of our school Dads, about forming a Safety Committee to continually review and refine our safety protocols. We have already been in contact with the Point Pleasant Beach Police Department and they assured us that they will do everything in their power to keep our children safe and give us all peace of mind.

We promise to keep you posted as we work collaboratively with the Point Pleasant Beach Police Department and our Safety Committee to craft a plan for our children to celebrate their back to school Mass and bi-annual walk to Hoffman's.

Close in Thoughts and Close in Prayer,

Fr. Robert Schlageter, Pastor

Debra Ostrowski, Principal
