

SCHOLARSHIP SUPPORT

There are three sources of scholarship funding or assistance available that MOLCS offers to assist families with tuition.

The 1st source is called the TADS Scholarship. Families complete an application form through the company, TADS, which is an outside agency for review. That agency makes a recommendation on how much scholarship funding to award per student. The applications are open in Spring and awarded in the Summer.

For those families who apply and do not qualify for a TADS scholarship, or need additional assistance, you may contact the principal to apply for a “Support a Student” scholarship (the 2nd scholarship source offered at MOLS through the generosity of parishioners who contribute to this fund!). This application is due in the Fall. It may be dropped off at either school office.

- **NOTE: You must apply for TADS in order to qualify to apply for Support-a-Student. You do not need to be approved for TADS, you just need to apply prior to requesting Support-a-Student.**

Another way families can receive tuition assistance is by purchasing local and retail gift certificates through the MOL Scrip Program. Families receive tuition credit based on the amount of purchases made throughout the year.

Mary of Lourdes does our best to make Catholic education affordable for families!
