Live your Discipleship

Welcome to the Second Sunday in Ordinary Time. Let's talk about money. Your money, and specifically the projects for which so many of you have generously donated through the One-by One campaign and in other donations.

First, the kitchen renovation will begin in April. We decided to wait until April so that several big events, including Booyah and Easter, will be finished before we tear up the kitchen. Contracts have been signed and final details are being worked out.

Also, we will soon see the replacement of all the exterior windows on the south side of the school wing of the building. The work has not yet been scheduled, but the contract was just signed. The windows are almost as old as I am, and the wooden sills are at the end of their days. We want to see daylight through the glass, not through the sills.

These projects will serve to keep our building function in a safe, hospitable, and more energy efficient manner for many years as we continue to work to spread the Gospel of Christ.

Thanks again to all who have donated to these projects! God Bless.

Deacon Dave Denby, Pastoral Leader
