Live your Discipleship

"the pipe organ (...) adds a wonderful splendor to the Church's ceremonies and powerfully lifts up man's mind to God and to higher things."

- Second Vatican Council

For the first time in several years, our beautiful organ needs some fairly major work, including work on the horizontal key actions that run from the pedals to open or close various pipes, and work on the canisters used to tune the pipes.

The estimated cost of repairing these two elements is \$28,420. While expensive, these repairs will improve the long-term stability and reliability of our organ - and should last for decades to come.

We are asking for your generous help in funding this effort. Any funds received beyond what is needed will remain in a restricted account for Organ Restoration/Repair.

If you're able to help, there are envelopes in the Narthex which you can place in the collection basket, or drop off in the parish office. You can also mail a check, or use the QR code here. Please make your check payable to St. Bernard Parish and note "Organ Fund" on the memo line.

Thank you very much. God Bless.

Deacon Dave Denby
