## **World Day for Consecrated Life – February 2nd**

This weekend, we celebrate the **World Day for Consecrated Life**, a time to recognize and give thanks for the men and women who have dedicated their lives to God through the vows of poverty, chastity, and obedience. Whether as religious sisters and brothers, monks, nuns, or members of secular institutes, their witness to Christ enriches the Church and the world in countless ways.

Let us pray for all those in consecrated life, especially those serving in our own diocese, that they may continue to be strengthened in their vocation. May their lives of prayer, service, and sacrifice inspire us all to deepen our commitment to Christ.

We also pray that more young men and women will hear and respond to God's call to the consecrated life. If you or someone you know is discerning a vocation, consider reaching out to a religious community or the diocesan vocations office.

Thank you to all who have embraced this calling—you are a gift to the Church!
