

FINANCIAL MATTERS

III. Diocesan Annual Appeal

- A. It is the policy of this Diocese to have a Diocesan Annual Appeal in which every parish is to participate.
- B. The calculation for the goals given to each parish is determined as follows:
1.
$$\frac{\text{Parish Sunday Offertory divided by the}}{\text{Total Offertory Throughout Diocese}} = \% \text{ Offertory}$$
 2.
$$\frac{\text{Parish Number of Donors (greater than \$35)}}{\text{Total Number of Donors Throughout Diocese}} = \% \text{ Donors}$$
 3.
$$\text{Parish Average } \% = \frac{(\% \text{ Offertory plus } \% \text{ Donors})}{2}$$
 4.
$$\text{Parish Goal} = \text{Diocesan Goal times Parish Average } \%$$
