

FINANCIAL MATTERS

X. Financial Assistance for Counseling Services

- A. Financial assistance for counseling services will be made on a participatory basis: 25% by the counselee, 25% by the parish, and 50% by the Office of Christian Service. Adjustments will be made in situations where the counselee and/or the parish have very limited resources.
- B. Pastors or pastoral administrators should complete the form on the following page when requesting financial assistance for counseling services by their parishioners. This form should be turned into the Office of Christian Service.
