Migration Campaign, an initiative by Pope Francis, and being planned and implemented by CRS, the USCCB, Caritas Internationalis, Catholic Charities USA and the Migration and Refugee Services.

Here are a few details:

- On **September 27, 2017**, Pope Francis is going to offer a “gesture” of welcome to all migrants (we do not have the exact details of the gesture), but it will kick off the 2-year Migration Campaign.
- The organizing entities have called for a week of “Prayer and Action” (Love your Neighbor) on **October 7-14, 2017** which is a compliment to Respect Life month of October.
- Resources and more information can be found at [SHARE THE JOURNEY](#).
