## WHAT OTHERS HAVE SAID

*"I remember being surprised and excited that there were other young guys who were older than I was and who were more informed than I was pursuing the priesthood and seeing them as human beings, getting to know them, getting to know what they're like – that really allowed me to take a look at myself and look at them and say, 'you know it's actually possible for me to do this.'"*  
– Mark M.

*"You're not signing up for the priesthood if you attend. A lot of people think it's a vocations camp so it's only for if you're thinking about the priesthood right now; that's not the case at all. It's a really good time and it will help you figure out your vocation either direction."* – Joe R.

*"Just being there is a really great opportunity for myself and the other guys to step away, just be in a group of Catholic men, kind of like being a fraternity as brothers. That doesn't happen a lot for many Catholic men."*  
– Samuel H.

*"The seminarians are so much fun, and they have taught me so much about how to pray better and how to become closer to God and just learn to be me. The best reason to come to this camp is the camaraderie and friendship you have. There's just so much fun playing games and even just sitting in small groups praying."*  
– Bennet B.
