On Springtime Hope, Mother Mary, and Mission

For as long as I can remember, spring has been my favorite season. So much excitement fills the air when another Northland winter is over. Students and educators at all levels can see that there is an end to the school year. Families begin planning for summer camps and summer vacations. We celebrate First Communions, Confirmations, and Graduations. Increasing sunlight means the days become longer and brighter.

New vision, new life: Diocese of Crookston Leadership Summits

As the Diocese of Crookston works to equip parish leaders to begin thinking in a missionary mode, it has been a joy to host three Leadership Summits this past November, February and April. The Leadership Summits have brought parish leaders from around the diocese together to learn more about their roles as missionary disciples.

Communication Builds Community

As they prayed, the place where
they were gathered shook, and they
were all filled with the holy Spirit
and continued to speak the word of
God with boldness.

Special Collection this Weekend

This weekend, we will have a second collection for the USCCB Catholic Communications Campaign (CCC)! The essential mission of the CCC is to contribute to the process of evangelization by fostering activities in relation to television, radio, internet, and other media, and through special projects of the Catholic press. An annual collection is taken up in U.S. dioceses, which remit 50% of the funds collected to the National Office. From these funds, grants are made by the USCCB Subcommittee on the Catholic Communication Campaign. The remaining portion of the collection is retained by the dioceses for use in local communication projects.

Thank you for your generosity!
