OFF THE TOP OF MY HEAD...

In the midst of all the earthshaking events and trends in our world, our country, and our communities, many Catholics are unaware that Pope Francis has instituted something called “Synod 2021-2023.”

Those who are familiar with church synods usually think of them as a regional, national, or global gathering of bishops to discuss particular pastoral matters in the church. The purpose of Synod 2021-2023 is to expand the scope to include the whole community of the church. How can the church, in its life and mission, empowered by the Holy Spirit, journey together and gather in communion? How can the whole church, not only the ordained (and lay) leaders, be engaged in the proclamation of Jesus Christ to the world?

As part of this worldwide process, each diocese and each parish is being asked to invite its people to share their dreams, feelings, thoughts, concerns, and fears in relation to the church and how it is carrying out its mission.

In our diocese, each parish is conducting listening sessions. Here’s how we are doing those listening sessions in the Anderson-Alexandria Pastorate:

Next week, March 26-27, at all the Masses, everyone will be given a brief questionnaire with five questions: What are your dreams for our parish? What are your fears for our parish? What are your dreams for the whole (universal) church? What are your fears for the whole church? What else would you like to tell us about yourself and the Church?

These questionnaires are structured in such a way that brief responses will be required. After the written responses are collected, participants will be invited to remain after Mass for a more in-depth, in-person listening session. The purpose of the listening session will be...to listen! To listen to each other and connect with each other. Questions, not answers, will be at the center of these sessions. They will take place after each of the seven Masses in our Pastorate, and will last between 60 and 90 minutes.

I’m hoping for a great turnout for these listening sessions (despite the short notice!). For now, however, I ask that each parishioner prayerfully consider their responses to the five questions listed above.

For more information on Synod 2021-2023, go to the synod.va website, which has both English and Spanish options. And pray for the success of the Synod!

MENSAJE DEL PADRE TOM...

En medio de todos los eventos y tendencias trascendentales en nuestro mundo, nuestro país y nuestras comunidades, muchos católicos no saben que el Papa Francisco ha instituido algo llamado “Sínodo 2021-2023”.

Quienes están familiarizados con los sinodales de la iglesia suelen pensar en ellos como una reunión regional, nacional o mundial de obispos para discutir asuntos pastorales particulares en la iglesia. El propósito del Sinodal 2021-2023 es ampliar el alcance para incluir a toda la comunidad de la iglesia. ¿Cómo puede la iglesia, en su vida y misión, fortalecida por el Espíritu Santo, caminar junta y reunirse en comunión? ¿Cómo puede toda la iglesia, no solo los líderes ordenados (y laicos), participar en la proclamación de Jesucristo al mundo?

Como parte de este proceso mundial, se le pide a cada diócesis y cada parroquia que invite a su gente a compartir sus sueños, sentimientos, pensamientos, preocupaciones y temores en relación con la iglesia y cómo está llevando a cabo su misión.

En nuestra diócesis, cada parroquia está realizando sesiones de escucha. Así es como estamos haciendo esas sesiones de escucha en el pastorado de Anderson-Alexandria:

La próxima semana, 26 y 27 de marzo, en todas las misas, a todos se les entregará un breve cuestionario con cinco preguntas: ¿Cuáles son sus sueños para nuestra parroquia? ¿Cuáles son sus temores para nuestra parroquia? ¿Cuáles son sus sueños para toda la iglesia (universal)? ¿Cuáles son sus sueños para toda la iglesia? ¿Qué más le gustaría decirnos sobre usted y la Iglesia?

Estos cuestionarios están estructurados de tal manera que se requerirán respuestas breves. Después de recopilar las respuestas escritas, se invitará a los participantes a quedarse después de la misa para una sesión de escucha en persona más profunda. El propósito de la sesión de escucha será... ¡Escuchar! Para escucharnos y conectarnos unos con otros. Las preguntas, no las respuestas, están en el centro de estas sesiones. Tendrán lugar después de cada una de las siete Misas de nuestra Pastoral, y tendrán una duración de entre 60 y 90 minutos.

Espero una gran participación en estas sesiones de escucha (¡a pesar de la poca antelación!). Por ahora, sin embargo, pido que cada feligrés considere en oración sus respuestas a las cinco preguntas enumeradas anteriormente.

Para obtener más información sobre el Sínodo 2021-2023, visite el sitio web synod.va, que tiene opciones en inglés y español. ¡Y oren por el éxito del Sínodo!

COVID PROTOCOL UPDATE:

As the Covid-19 statistics for Madison County continue to improve, it is time to prepare for some relaxation of our protocols for parish Masses, which are intended to lessen the potential spread of the Covid-19 virus.

Our goal is the Easter Sunday weekend, April 16-17. If the statistics for Madison County remain at their current levels or improve between now and Easter, the following adjustments to our protocols will go into effect:

Each church will have a section of pews where social distancing is in effect and masks are required. In the rest of the church, all pews will be open and masks will be encouraged but optional. Clergy and communion ministers will be encouraged to continue using masks when distributing Communion, but this will not be mandatory.

If the statistics for Madison County, as posted on the Centers for Disease Control website (cdc.gov) worsen, and/or if a new variant increases the risk of serious Covid illness or death, it may be necessary to continue (or return to) our current protocols.

As always, parishioners are asked to prayerfully consider the most effective way to hinder the spread of this disease, considering not only their own health but that of others as well. And all are asked to pray for end to the Covid pandemic.

ACTUALIZACIÓN DEL PROTOCOLO DE COVID:

A medida que las estadísticas de Covid-19 para el condado de Madison continúan mejorando, es hora de prepararse para una cierta relajación de nuestros protocolos para las Misas parroquiales, que tienen como objetivo disminuir la posible propagación del virus Covid-19.

Nuestro objetivo es el fin de semana del Domingo de Pascua, 16 y 17 de abril. Si las estadísticas del condado de Madison permanecen en sus niveles actuales o mejoran entre ahora y Semana Santa, entrarán en vigencia los siguientes ajustes a nuestros protocolos:

Cada iglesia tendrá una sección de bancas donde el distanciamiento social esté vigente y se requieran máscaras. En el resto de la iglesia, todos los bancos estarán abiertos y se alentará el uso de máscaras, pero será opcional. Se animará a los ministros del clero y de la Comunión a seguir usando máscaras al distribuir la Comunión, pero esto no será obligatorio.

Si las estadísticas del condado de Madison, tal como se publican en el sitio web de los Centros para el Control de Enfermedades (cdc.gov), empeoran y/o si una nueva variante aumenta el riesgo de enfermedad grave o muerte por Covid, puede ser necesario continuar (o volver a) nuestros protocolos actuales.

Como siempre, se les pide a los feligreses que consideren en oración la forma más efectiva de impedir la propagación de esta enfermedad, considerando no solo su propia salud sino también la de los demás. Y se les pide a todos orar por el fin de la pandemia de Covid.
