

Fourth Sunday of LENT

I came into this world
for judgment, so that those who do
not see might see, and those who
do see might become blind.

John 9:39

He venido a este mundo para
llevar a cabo un juicio:
los que no ven, verán,
y los que ven, se volverán ciegos.

OFF THE TOP OF MY HEAD...

Here's some good news and some challenging news about the Catholic Ministries Appeal, the annual fund campaign for the operation of the Diocese of Lafayette in Indiana.

First, the good news: The surplus donations (over our goal) from the Anderson-Alexandria Pastorate for the 2022 appeal totaled a little over \$20,000. (I'm using approximate numbers to simplify the math; I was a Liberal Arts major!)

So what will we do with all this money?

First, we will place \$7750 in a Pastorate fund for Youth Ministry. This will provide funding for various youth activities within and among the three parishes of the Pastorate. The results of the Pastorate survey in 2021 indicated a great need for youth outreach, and that need is emphasized strongly in our upcoming Pastorate Vision Plan. So this fund will be a necessity, not a luxury. In the future, the fund will be supported by donations from parishioners. Stay tuned for details on that!

We will put \$3000 into the "branding" process, which means the development of graphics, letterhead, and other materials which identify and promote the Anderson-Alexandria Pastorate (and its three parishes). (If this seems expensive, the fact is that we are getting a financial break on this price.)

We will purchase ministry scheduling software for the Pastorate for approximately \$1500. (Again, what may seem like an expensive item is a bargain when the savings in staff and volunteer time are considered.)

My math says that this leaves us with just under \$7800, to be divided between the two Anderson parishes, which both exceeded their parish goals. (St. Mary in Alexandria did not reach their goal this year but were not required to make up the difference because the Pastorate reached its overall goal.)

So the direct benefit to our Pastorate from the 2022 CMA is significant.

This leads me to the challenging news. As of March 14, our three parishes together have pledged only 71% of our Pastorate goal, compared to last year at this time, when we had already pledged 99% of our goal.

Consider the drawback and the opportunity.

Drawback: If we do not reach our goal, the resulting deficit must be paid out of parish operating funds.

Opportunity: If we DO reach our goal and even exceed it, we will benefit next year, as we are benefitting this year.

Help us take advantage of this opportunity!

PENSAMIENTOS DEL PADRE TOM

Aquí hay algunas buenas noticias y algunas noticias desafiantes sobre la Colecta para el Obispo, la campaña anual de fondos para el funcionamiento de la Diócesis de Lafayette en Indiana.

Primero, las buenas noticias: las donaciones excedentes (por encima de nuestra meta) del Pastorado de Anderson-Alexandria para la campaña de 2022 totalizaron un poco más de \$20,000. (Estoy usando números aproximados para simplificar las matemáticas; ¡yo estudié Artes Liberales!)

Entonces, ¿qué haremos con todo este dinero?

Primero, colocaremos \$7750 en un fondo de Pastorado para el Ministerio Juvenil. Esto proporcionará fondos para varias actividades juveniles dentro y entre las tres parroquias de la Pastoral. Los resultados de la encuesta Pastoral en 2021 indicaron una gran necesidad de alcance a los jóvenes, y esa necesidad se enfatiza fuertemente en nuestro próximo Plan de Visión Pastoral. Entonces este fondo será una necesidad, no un lujo. En el futuro, el fondo será apoyado por donaciones de los feligreses. ¡Estén atentos para más detalles sobre eso!

Pondremos \$3000 en el proceso de "marca", lo que significa el desarrollo de gráficos, membretes y otros materiales que identifiquen y promuevan el pastorado de Anderson-Alexandria (y sus tres parroquias). (Si esto parece caro, el hecho es que estamos obteniendo una ventaja financiera con este precio).

Compraremos software de programación de ministerios para el Pastorado por aproximadamente \$1500. (Nuevamente, lo que puede parecer un artículo costoso es una ganga cuando se consideran los ahorros en el tiempo del personal y los voluntarios).

Mis cálculos dicen que esto nos deja con poco menos de \$7800, para ser divididos entre las dos parroquias de Anderson, las cuales excedieron sus metas parroquiales. (St. Mary en Alexandria no alcanzó su objetivo este año, pero no se les pidió que compensaran la diferencia porque el Pastorado alcanzó su objetivo general).

Entonces, el beneficio directo para nuestro Pastorado de la Colecta para el Obispo 2022 es significativo.

Esto me lleva a las noticias desafiante. A partir del 14 de marzo, nuestras tres parroquias juntas han prometido solo el 71% de nuestra meta pastoral, en comparación con el año pasado en este momento, cuando ya habíamos prometido el 99% de nuestra meta.

Considere la desafiante y la oportunidad.

Desafiante: Si no alcanzamos nuestra meta, el déficit resultante debe pagarse con los fondos operativos de la parroquia.

Oportunidad: Si SÍ alcanzamos nuestra meta e incluso la superamos, nos beneficiaremos el próximo año, como nos estamos beneficiando este año.

¡Ayúdanos a aprovechar esta oportunidad!
