OFF THE TOP OF MY HEAD...

Alleluia! Christ is Risen! Risen indeed! Alleluia!

I have three topics to address this weekend.

First, at St. Mary's in Alexandria, Margaret Adams, through her accounting firm, has overseen parish finances since the 1990's, first as a volunteer, then for a small stipend.

This summer, the diocese will adopt new procedures and policies, one of which states that a parish's finances can only be overseen by a parish employee. Margaret is not an employee; it is through her firm that she takes care of our finances. St. Mary's Alexandria is currently one of only two parishes in the diocese with this current arrangement, and the new policy actually makes sense. Margaret made it clear to me that she has no problem with the decision. When I asked her to join the parish Finance Council, she agreed! The accounting responsibilities will be transferred to Charlie Armington, the accountant for the Anderson parishes.

Many thanks to Margaret for her many years of good, hard work, and for the expertise she will offer as a member of the Finance Council!

Now, St. Mary's Anderson: On Easter Sunday, we conducted a second collection to assist a single mother of two in the parish who had had a stroke. The proceeds totaled over \$3,500. This will help our parishioner as she recovers and is a testament to the generosity of the people of the parish. Thanks to all! Keep praying for your fellow parishioner!

Finally: We are in the process of rolling out our Pastorate Vision Plan (PVP), and we will soon be inviting the participation of parishioners in its implementation. It's not only an ambitious plan; it's a good plan!

At least three kinds of decisions are made in any planning process: To discard bad ideas, to embrace good ideas, and to set aside other good ideas. Setting good ideas aside is difficult but necessary. And as we implement the plan, we will say no to other new ideas proposed by faithful, imaginative, and motivated parishioners. This is not because they are bad ideas, but because we can only address a limited number of good ideas at a time.

The plan is ongoing so an idea that is set aside this year may be adopted in the future. Keep that creativity going, and please be a part of the ongoing implementation of our current (and future) plan!

Alleluia! Christ is Risen! Risen indeed! Alleluia!

PENSAMIENTOS DEL PADRE TOM

¡Aleluya! ¡Cristo ha resucitado! ¡Verdaderamente resucitado!
¡Aleluya!

Tengo tres temas que abordar este fin de semana.

Primero, en St. Mary's en Alexandria, Margaret Adams, a través de su firma de contabilidad, ha supervisado las finanzas de la parroquia desde la década de los noventa, primero como voluntaria y luego por un modesto honorario.

Este verano, la diócesis adoptará nuevos procedimientos y políticas, uno de los cuales establece que las finanzas de una parroquia solo pueden ser supervisadas por un empleado de la parroquia. Margaret no es una empleada; es a través de su firma que ella se encarga de nuestras finanzas. St. Mary's Alexandria es actualmente una de las dos únicas parroquias de la diócesis con este arreglo actual, y la nueva política en realidad tiene sentido. Margaret me dejó claro que no tiene ningún problema con la decisión. Cuando le pedí que se uniera al Consejo de Finanzas de la parroquia, ¡aceptó! Las responsabilidades contables se transferirán a Charlie Armington, el contador de las parroquias de Anderson.

¡Muchas gracias a Margaret por sus muchos años de buen y arduo trabajo y por la experiencia que ofrecerá como miembro del Consejo de Finanzas!

Ahora, St. Mary's Anderson: el domingo de Pascua, realizamos una segunda colecta para ayudar a una madre soltera de dos hijos en la parroquia que había sufrido un derrame cerebral. Los ingresos ascendieron a más de \$3,500. Esto ayudará a nuestra feligrés mientras se recupera y es un testimonio de la generosidad de la gente de la parroquia. ¡Gracias a todos! ¡Siga orando por su compañera feligrés!

Finalmente: Estamos en el proceso de implementar nuestro Plan de Visión del Pastorado (PVP) y pronto estaremos invitando a la participación de los feligreses en su implementación. No es solo un plan ambicioso; es un buen plan!

En cualquier proceso de planificación se toman al menos tres tipos de decisiones: descartar malas ideas, adoptar buenas ideas y dejar de lado otras buenas ideas. Dejar de lado algunas buenas ideas es difícil pero necesario. Y a medida que implementemos el plan, daremos un "no" a otras ideas nuevas propuestas por feligreses fieles, imaginativos y motivados. Esto no significa que sean malas ideas, sino que sólo podemos abordar un número limitado de buenas ideas a la vez.

El plan está en curso, por lo que una idea que se dejó de lado este año puede adoptarse en el futuro. ¡Mantenga esa creatividad y sea parte de la implementación continua de nuestro plan actual (y futuro)!

¡Aleluya! ¡Cristo ha resucitado! ¡Verdaderamente resucitado!
¡Aleluya!
