Prayer

Lord, we thank you for the gift of St. Peter Catholic School, and all the teachers and staff who help our children grow up to be courageous and respectful Christians. We thank you for our caring and involved parents and grandparents and caregivers who support our school and parish community through the sharing of their time, talents, and treasure. We ask you to bless our children, parents, teachers, and staff. Please also bless our time together tonight that we may continue to do your work. Amen.

Mission Statement

We aim to enrich the school through community building, supporting staff, and acting as a resource for all families. Parents are the primary educators of their children, and thus an essential member of our school community. We are eager to help all St. Peter families find ways to be actively involved in school activities and connect with other families.

The PA fosters engagement within the school community by coordinating events, volunteering time, and assisting with fundraising activities.

We seek to model good stewardship of time, talent, and treasure to our children by actively participating and volunteering in the school.
