## DID YOU KNOW....

that big plans are underway for the remodeling of the Youth Wing? The Youth Wing – as it was originally designated when constructed in 1997 - is the building at right angles to the Office building -on the west end. It is made up of four classrooms and an office. It was a gift to our Youth Ministry from the late *Jerry and Pat Chouinard*.

In 2011 we leased the two classrooms to Cactus Wren Cooperative Preschool. At that time, to accommodate our growing *Catechesis of the Good Shepherd* program for our younger children, the Teens were asked to vacate their large Youth Room, and a wall was constructed dividing their room into two classrooms, which were then turned over to the *Catechesis of the Good Shepherd*, causing the *Life Teen* and *Edge* youth programs, as well as Confirmation classes, to be moved into *Madonna Hall*.

With the increasing number of groups – Parish and Community – needing meeting space in *Madonna Hall*, scheduling was becoming more and more of a problem – a good problem when ministries are growing, but a problem!

As you might have seen in the bulletin, Cactus Wren Cooperative Preschool will be relocating after 14 years on our campus, and we are now preparing to remodel the Youth Wing and restore it to its original purpose! The wall which was constructed to divide the Youth Room into two classrooms to create a multi-purpose room, available for small group meeting space, when not in use for Youth activities!

*Deacon Bill Polakowski*, our Youth Minister, is working with the Buildings and Grounds Committee, looking at furnishing the Youth Room for Teen activities – donations will be solicited when we determine what is needed!

In addition, *Genevieve Rivera*, our Director of Religious Education, is working with the Buildings and Grounds Committee to move the *Catechesis of the Good Shepherd* program into the two vacated classrooms - with its own office and child-sized restrooms, which *Genevieve* will allow us to expand that program and add more grades to the *Catechesis of the Good Shepherd*!

While we are sorry to say good-bye to Cactus Wren Preschool, this is turning into a very big “Win-Win” for our Youth Ministry and Religious Education programs!

Watch this space for more information about the remodeling of the Youth Wing – and look for an announcement of a re-dedication of the Wing later this summer! Last Sunday’s Second Collection for YOUTH MINISTRY brought in almost \$5,000!!!

Thank YOU for your SO GENEROUS support for our Youth!

## SOUL FOOD:

*“A person ought to suffer anything and everything – rather than divide the Church of God. It is no less glorious to incur martyrdom to avoid schism than to avoid idolatry; in fact, in my opinion, it is more so! For in one case a person is a martyr for the sake of his own single soul, but in the other for the sake of the whole Church.”*

- St. Dionysius of Alexandria +265

## From Your Parish Library

Happy Sunday! This week’s featured book is “The Eucharist is Really Jesus – How Christ’s Body and Blood are the Key to Everything We Believe” by Joe Heschmeyer. When the resurrected Jesus appeared to two disciples on the road to Emmaus, they didn’t know him. He was there in the flesh, talking, teaching, but they didn’t recognize him. Until the breaking of the bread. Then their eyes were open, and everything fell into place. The same is true today. When we recognize Jesus in the bread of the Holy Eucharist—when we understand that it’s really Jesus—our eyes of faith are opened, and the mysteries of the Christian life are unlocked. In *The Eucharist is Really Jesus*, author Joe Heschmeyer first explains how Catholic belief in the Eucharist is biblical and reasonable. If you’re used to thinking of Communion as a purely symbolic ritual, you’ll find here a compelling defense of the ancient doctrine of the Real Presence. But even if you already believe it, Heschmeyer shows how that’s not an end, but just the beginning. Knowing that the Eucharist is really Jesus becomes a master key to understanding: -The cross of Good Friday and the empty tomb of Easter Sunday -How to worship God in spirit and truth, according to the Bible -The meaning of our own bodies and their immortal destiny -How to love God and each other every day, like the saints ...and more essential aspects of our lifelong walk with Jesus. Like those disciples on their way to Emmaus, we don’t truly know Jesus apart from the broken bread, because the fullness of his truth remains locked away.

**CATHOLIC QUIZ :** *This week's Question:*  
 "What does the pelican have to do with the Eucharist?"

*The answer to last week's Question:*

"What is the significance of 'St. Patrick's Shamrock' and what does it have to do with the Feast of the Holy Trinity?"

The mysteries of the Faith are often difficult to teach, especially those mysteries which speak of the "inner life" of God, like the mystery of the Holy Trinity. Legend has it that St. Patrick 'explained' the Holy Trinity to the pagan Irish, using the shamrock: the three leaves on one stem represents the three divine Persons in the one Godhead. Some say that the occasion was his sermon to Laoghaire, 'high king' of the Irish clans, who had come to seize St. Patrick for daring to ignite the Easter Fire on the Hill of Slane. Laoghaire was converted by St. Patrick's gentle wisdom – the beginning of the conversion of all of Ireland to the Faith!

## Sunday's Readings

"When the Lord established the heavens I was there,  
when he marked out the vault over the face  
of the deep;  
when he made firm the skies above,  
when he fixed fast the foundations of the earth; (Prv 8:27)

### Psalm:

O Lord, our God, how wonderful your name in all the earth!  
(Ps 8)

### Second Reading:

Therefore, since we have been justified by faith,  
we have peace with God through our Lord Jesus Christ.  
(Rom 5:1)

### Gospel:

Everything that the Father has is mine;  
for this reason I told you that he will take from what  
is mine  
and declare it to you." (Jn 16:15)

## Live The Liturgy Inspiration of the Week

Jesus knew how it would be. He knew we  
would stumble in the dark, grasping for  
answers. And so he sent us a light: the Holy  
Spirit, the illumination of all that is true. Dare  
we look into the light? Are we ready to see  
the truth?

## Devotions, Explained!

Popularized in the 17th century by a French priest named Fr. Claude Bernard, the Memorare is a prayer to the Blessed Mother in which the supplicant calls upon the maternal love and protection of Mary's intercession in an hour of dire need.

### Prayer of Christian Love

Glory be to God the Father,  
God the Son, and God the  
Holy Spirit, who calls us  
into communion with Him,  
a life of grace and mystery,

### June Parish Nurse News Working on your Spiritual Health

*What are the 7 gifts of the Holy Spirit and what do they mean for us?*

#### 1.) Wisdom

Seeing things from God's perspective. This may mean reading the Bible more, having conversations with God, and receiving the Eucharist.

All of these things may help us to recharge our spiritual batteries.

#### 2.) Understanding

Recognizing that God is present in all things and allowing God to open our minds to all that is present. This may mean stopping to smell the flowers on the side of the street or seeing God in the homeless person you meet at Walmart.

#### 3.) Knowledge

Choosing a path that leads us to God. Avoid obstacles that block our ability to get closer to Him. This may mean seeing God's goodness in the mundane everyday tasks of laundry, washing dishes, or cooking dinner. Recognize that evil will still be present in this world so that a greater good can come of it. Knowledge is trusting the process and being at peace with it.

#### 4.) Counsel

This is decision making in action. Using the steps of deliberation, making a decision, and carrying out the decision, whether this be for small everyday choices, or large life-changing ones.

#### 5.) Piety

Knowing how God loves each one of us and this can translate into us loving humanity universally—avoiding actions that lead to prejudice or racism. Trusting in God the Father during all times, even times of suffering. Praying the Our Father daily can help us.

#### 6.) Fortitude or Courage

This is the strength to do good. Overcoming fear and offering up our sufferings. Learning to “suffer with meaning” and “carry the cross” during the most difficult of times.

#### 7.) Fear of the Lord

As humans, we are weak. However, by the grace of God, we are able to do much good in this world.

## REFLECT

Abortion is always a tragedy that takes the life of an innocent child and significantly wounds the mother. For decades, surgical procedures accounted for most abortions, but today chemical abortion is the most common form in the United States. Chemical abortion is a process that generally involves a pregnant woman taking a sequence of pills early in pregnancy to kill and expel a developing child from her womb. Sadly, this form of abortion not only takes the life of a child but also poses significant risks to the health and safety of women.

Despite these serious risks, chemical abortion has widespread accessibility. Since 2016, the FDA has shown continued disregard for women's health by loosening safety standards, extending the limits of when the drugs can be used, and decreasing the number of required doctor's visits. Most recently, the FDA has allowed abortion pills to be prescribed through virtual appointments, made available at neighborhood pharmacies, and ordered online, enabling a nationwide mail-order abortion industry. These policies leave women vulnerable to suffering an abortion at home, alone, without any medical

supervision. In addition to putting a woman's health at risk, the actions taken by the FDA also increase the chances that women may be exploited by violent partners and human traffickers.

In June 2024, the Supreme Court threw out a case that had the potential to restore limitations to chemical abortion. It did not rule on the underlying questions, however, and only determined that the pro-life health care professionals who brought the lawsuit did not have the legally required standing to challenge the FDA's actions. While this initial case was unsuccessful, we pray that new action will be taken to protect women and preborn children from the dangers of the abortion pill.
