FORM OF BEQUEST FOR A WILL:

DID YOU KNOW....

that the word “vacation” comes from the Latin ‘*vacare*’, meaning: ‘to empty’?

(The English words, “vacate” comes from that root word, as well!)

What then does it mean to take a ‘vacation’? In the very best sense, it means to open up a place for God in the center of my life! It means to empty myself, for a period of time, of all of the fussy concerns and daily routines which can so fill my life, that there is no room for God – or others! Vacations can be times and opportunities to ‘vacate’ the routine - and experience life in a different way! When we take a vacation with God, it can be a treasured time when we are refreshed and renewed and reenergized.

In the Gospel of Mark (6:31-32) we read *“JESUS said [to the apostles], ‘Come apart with Me to a deserted place and rest awhile’. For many were coming and going, and they had no leisure even to eat.”*

Does this ‘coming and going, with hardly any time to eat’ sound familiar? Too often our lives can be overwhelmed with busyness, with little real leisure, and a deep fatigue. To US, our Lord says: *“Come apart with Me”* (or you will just come apart!) *and rest awhile!”*

A true ‘vacation’ will never be a ‘vacation’ from God, or a ‘vacation’ from Mass, but an opening to God, to fill the emptiness of my life, and to be renewed in body, mind, and spirit!

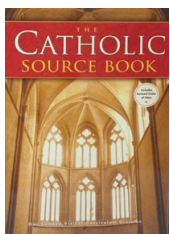

If you are planning on traveling this summer, make sure that it is a real ‘vacation’ – a deeper connecting with God – and others! But mostly make sure that you take time and give yourself the space ‘to empty’ – in order to be filled with God! It is the real meaning of ‘recreation’ – to let yourself be ‘re-created’ in the image and love of God! Take along good reading, books that will encourage reflection and renewal! Make prayer your basic response to what you are seeing, what you are experiencing, who you are with! Look for opportunities to worship – at Mass in the different places you visit -- and in your own quiet time, as you come apart with Him!

If you are not traveling this summer, or have planned a ‘stay-cation’ (with time off from work but remaining at home), this too can be a ‘time apart with the Lord’, as you participate in daily Masses, spend some time in Adoration in the *Divine Mercy Chapel*, pray the Rosary as you hike, spend some time outdoors (away from the television) looking at the ‘great book of Creation’, write some postcards (from home) and send some loving thoughts/words with others!

But however you will ‘vacation’ this summer – please make it a real ‘vacation’ – an openness to God that He may fill you, and that you may find real rest and refreshment in our Lord!

(Please bring your bulletins from the places you worship this summer to the Office! We love to see how they do things in other places – and get ideas how we might do better!)

CATHOLIC QUIZ: This week’s Question: “What is the ‘Holy House of Loreto’?”

The answer to last week’s Question: “What is the ‘Infant of Prague’?” In 1655, the Bishop of Prague gave approval for devotion which began when the community of Discalced Carmelite Fathers in Prague found itself reduced to a state of extreme want. A certain benefactress had great faith in the miraculous powers of a beautiful waxen image of the infant JESUS that her mother had brought from Spain. Desiring to aid the Carmelites, she presented them with this statue, saying, ‘As long as you honor this image, you shall never want’. The words proved prophetic. The image of Infant Savior was given a place of honor in their private oratory. So many were the favors obtained through this image that it was decided to place it in the church that the Faithful might share in the blessings. They came in great numbers to pray at

the shrine, and countless favors, and even miracles, were experienced. The devotion soon spread to all of Europe and then to all the world. Today thousands claim to have obtained blessings through their devotion to this image, which in the left hand rests the globe of the world and with the right is poised in blessing, honoring Christ’s Kingship and His Holy Childhood! Ferdinand Magellan presented a copy of this statue to a local prince when exploring the Philippines, occasioning the conversion of the prince and his family to the Catholic Faith! This is the famous “Santo Nino de Cebu”, one of the most revered images in the Philippines – half a world away from Prague!

(If you would like to be as smart as the “Quiz Master” – pick up a copy of the Catholic Source Book, available in the Parish Office, for only \$15!)

SOUL FOOD:

“Love is the most misunderstood word in our loveless age. Perhaps it has never before been used so much and meant so little. We are confronted with it from morning until night, with the media suggesting a thousand ways to arouse “love”. Yet real Love was born in a manger and died on a Cross. Real love is synonymous with sacrifice and with service.”

- Catherine de Hueck Doherty (1896-1985)

Live The Liturgy Inspiration of the Week

In life, there are so many "Marthas" — people and situations that distract us from God. But if we imitate Mary and sit calmly at the feet of Jesus, his Word will guard our hearts from the anxiety of the world.

Devotions, *Explained!*

The St. Bridget Prayers evoke the imagery of Christ's suffering and death, plead for the forgiveness of the supplicant's sins, for a happy death, for fear and love of the Lord, and for a renunciation of worldly desires.

Prayer for Focus

Lord, help me to remember what matters and who matters.
And then help me to prioritize
rightly and wisely, with Your
heaven as my guide.

Book: *Hope: The Autobiography* by Pope Francis
Tuesday, August 26th, 2025, from 7:00-8:00 PM
Parish Library

NEW YORK TIMES BESTSELLER • Pope Francis originally intended this exceptional memoir to appear only after his death, but the needs of our times and the 2025 Jubilee Year of Hope moved him to make this precious legacy available sooner. Now, the book stands as his testament: the spiritual, faith-filled, as well as moral, social, and civic legacy that he envisioned and left for the benefit of all the men and women of the world.

Hope is the first autobiography in history ever to be published by a pope. Written over six years, this complete autobiography starts in the early years of the twentieth century, with Pope Francis's Italian roots and his ancestors' courageous migration to Latin America, continuing through his childhood, the enthusiasms and pre-occupations of his youth, his vocation, adult life, and the whole of his papacy up to the present day.

Hope includes a wealth of revelations, anecdotes, and illuminating thoughts. It is a thrilling and very human memoir, moving and sometimes funny, which represents the "story of a life" and, at the same time, a touching moral and spiritual testament that will fascinate readers throughout the world and will be Pope Francis's legacy of hope for future generations.

The book is enhanced by remarkable photographs, including private and unpublished material made personally available by Pope Francis himself. (Excerpted from Amazon.com)
Participants purchase their own book or check it out from a library.
