## **Welcome to St. Andrew the Apostle Parish**

*With open hearts we welcome all who have come to the house of the Lord. If you are new to the parish, please take time to stop by the office and register. **Thank You  
For Your

Your gift will support our life of prayer, and our prayer will be the gift we offer in return to support you and your loved ones.

### **FORM OF BEQUEST FOR A WILL:**

*I give, devise, and bequeath to Saint Andrew the Apostle Parish, 800 Taylor Dr. Sierra Vista, AZ 85635, a corporation organized and existing under the laws of the State of Arizona... (here state the amount of money or description of the property willed).*

**DID YOU KNOW....**

that the Sacred Liturgy can be compared to a symphony? The word 'liturgy' comes from the Greek word meaning 'the people working together' and was, originally, a secular term to describe a community activity meant to benefit the whole community – such as repairing a road or digging a communal well.

Because Christian worship – unlike pagan worship - was a shared experience with everyone present taking part, the word 'liturgy' was soon applied to our corporate worship: the Sacred Liturgy!

Now the comparison of the Sacred Liturgy to a symphony (from the Greek: 'coming together in harmonious sound') perhaps helps us to think how all of our voices together, expresses a unity of mind, heart and voices in the shared experience of praise. This Unity which is one of the four 'marks' of the Church ("ONE, holy, catholic and apostolic) is given expression in our harmonious blending of our many different voices in prayer, praise and thanksgiving, especially in the Sacred Liturgy!

One of the great gifts of the Second Vatican Council was to 'restore' this sense of the corporate/shared experience of worship – of Liturgy – rather than a passive observing by the Faithful of what was occurring at the altar by the Priest, perhaps supported by a Choir.

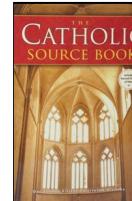

Returning to the idea of Sacred Liturgy as a symphony, the role of the Priest-Celebrant would be like that of the "conductor": setting the tempo, directing so that every instrument and every section of the orchestra can be heard as a harmonious whole, and always 'directing' according to the musical score.

Where is this going? Simply this, when individual worshipers 'assert' their unique expression, change the tempo/pace according to their personal preferences, and 'conduct their own liturgy' apart from the whole assembly, it is not only distracting

and dis-harmonious, but it weakens the Unity which the Sacred Liturgy is meant to express. (There cannot be two or three separate Masses going on at the same time!)

Recently one of our Priests said that at the Mass that he was celebrating, part of the congregation began praying of the *Our Father* without him! Disharmony resulted and, of course, the expression of Unity was undermined.

This is a very important matter. . .please reflect on this and pray for a deeper understanding of the purpose, meaning, and the impact of the Sacred Liturgy, in which we are all to take part!

**CATHOLIC QUIZ:**

*This week's Question: "What is the 'Popemobile'?"*

*The Answer to Last Week's Question: "What are 'vigil lights'?" Candles are common in church; the*

*small candles, associated with a small donation, are often seen before the images of the saints -- representing the prayerful watchfulness of expectant faith (Matthew 25:4).*

*The vigil ("watching: to 'keep vigil') lights burning in the church are a visible sign that prayer is being offered, and the little candles become a 'sacramental' – a reminder of God's Presence glimpsed in and through God's Creation – like light!*

*If you would like to be as smart as the "Quiz Master" – pick up a copy of the Catholic Source Book, available in the Parish Office, for only \$15!*

**SOUL FOOD:**

*"When God sees sin, He sees the pain in us."*

### New Habits for a New Year

- ❖ Focus on small changes and set small goals for yourself—some ideas include
  - \* Getting more sleep at night
  - \* Eating more fruits and vegetables
  - \* Exercising for 20 minutes by taking a walk after dinner
  - \* Drinking an extra glass of water a day
  - \* Praying the rosary daily
  - \* Watching less TV
- ❖ It is better to aim for smaller more achievable changes than setting BIG goals—so, if losing weight is your goal, aim for 3 pounds a month....not your end goal of 40 pounds
- ❖ Practice gratitude—find something every day you are grateful for—can be as simple as a good dinner your spouse made, seeing the sun shining or having someone who loves you.
- ❖ Practice acts of kindness regularly
- ❖ Consider learning something new or finding a new hobby
- ❖ AND consider turning off your phone 30 minutes before bedtime—to give your brain a rest and allow your mind to settle down for sleep.

Happy 2026!

La clase pre-bautismal para Papás y Padrinos será el martes, 27 de enero a las 6 p.m. en la Iglesia.
