SK Carl Ashmead

The Faithful Navigator of our assembly and the GK of 4584 attended the ceremonies as did several other Sir Knights and their families. This brings to 13, the number of new Sir Knights

exemplified during this fraternal year.

4. Upcoming Color Corps Commitments will be covered by the Color Corps Commander., but I do wish to thank and congratulate the Color Corps members for their outstanding support this fraternal year through the many civic and church events. We submitted an application for the To Be a Patriot award based on our Color Corps Service this fraternal year. We also submitted an application for the Civic Award which also included a fair amount of justification based on our Color Corps support to city, veterans, and military.
5. If you would like to participate in fundraising for the veterans memorial improvement project, I have packets of 10 raffle tickets that you may buy or sell and return the money to me on behalf of the Sierra Vista Veterans Memorial Improvement Foundation. The raffle tickets are from the Millions for Tucson Raffle sponsored by the Jim Click Automotive Group. 100% of collected funds stay with the foundation. This is a great way to support our veterans and support our assembly's efforts to support veterans.
6. I have received a proposal from St Andrews parish to designate second collection on Memorial Day Sunday and Veterans Day Sunday each year for Veterans causes to be administered by St Francis of Assisi Assembly. The FN will draft a proposal for such a program that identifies projects and causes.

7. Our fraternal year is now coming to an end. It has been a year of learning and challenge. I am deeply appreciative of the support of each and every one of you, especially the officers and the Color Corps. Your service and commitment as Catholic gentlemen speaks loudly to me, our order, our community and our Church.

8. Our next monthly meeting occurs on July 21st.

This concludes my report.
