Week 37 HFS Newsletter June 05, 2026

Principal Message

Dear Holy Family Families,

What a special week it has been here at Holy Family School! As we near the end of another wonderful school year, our cherished end-of-year traditions are going strong. This week was all about celebrating our amazing 8th grade students and recognizing the impact they have had on our school community.

On Thursday, we gathered for a beautiful Mass led by our 8th graders. It was a meaningful opportunity to reflect on their time at Holy Family and give thanks for all they have contributed to our school. Following Mass, our 7th grade parents hosted a wonderful brunch in honor of the graduating class. We are so grateful for their hard work and generosity in making this tradition so special.

Our 8th grade students have accomplished so much during their years at Holy Family School. We were excited to celebrate them at last night's graduation ceremony, where we recognized their achievements and reflected on the many ways they have contributed to our school community. It was a joyful evening filled with pride, gratitude, and hope for the future. We are incredibly proud of the young men and women they have become and are confident they will continue to do great things in high school and beyond. We wish them every blessing as they begin this next chapter and hope they will come back to visit us often. They will always be part of the Holy Family family.

Today, several important items are coming home with your child. You will find two envelopes containing your child's spring assessment results. One envelope includes MAP (Measure of Academic Progress) assessment scores in Reading, Mathematics, and Language Usage. The second envelope contains DIBELS assessment results, which measure foundational reading skills from Kindergarten through 8th grade. We encourage you to review these results and celebrate the growth your child has made this year.

The final item coming home is the special summer activity I mentioned in my last newsletter. Your child will receive a Holy Family Hawk to take along on summer adventures! We invite you to snap a picture of your Hawk enjoying your family's travels, activities, and special moments this summer. Please send your photos to Mrs. Marcoe so they can be shared on our social media pages. This will be a fun way for our school community to stay connected and see all the exciting adventures our families are having over the summer months.

As we approach our final week of school, I encourage you to talk with your child about making the most of these last few days. The end of the school year always seems to arrive so quickly. Encourage them to savor every moment, enjoy time with their friends and teachers, and

celebrate all they have accomplished this year. We have a fantastic final week planned, and I know it will be one to remember.

Thank you for your partnership, support, and commitment to Holy Family School throughout this school year.

Have a wonderful weekend!

Principal, Holy Family School
