## The Holy Family of Jesus, Mary and Joseph: Save the Family

*"Rise, take the child and his mother, flee to Egypt, and stay there until I tell you. Herod is going to search for the child to destroy him."*

(Mt 2: 13-15)

The feast of the Holy Family, which the Church always celebrates on the First Sunday after Christmas, invites us to reflect on our family life, including our extended family. In this case, the text chosen by the Church is that of the flight to Egypt. And so, our meditation and our weekly purpose must address any potential danger against our family in particular and the family in general.

Today, we all are aware that the family is going through a great crisis, with many problems stemming from not knowing what role parents and children should play, and what the limits of the rights of one and the other are. Coexisting with one another is not easy and that is why there are many dysfunctional families. For this reason, the purpose this week is to build or strengthen the relationship of love, based on respect for the rights of others without meaning that we renounce our own rights. In order to do this, two basic principles should be taken into account. The first is that getting along implies sacrifice, although it also entails the existence of good times. We cannot pretend to live in a family without love, and we cannot pretend to love without accepting the cross. Moreover, if we decide not to live in a family, we must take into account that there are also other sacrifices, for example, that of loneliness. The second principle is that everything has a limit, and that when that limit is crossed, the Church allows recourse to extraordinary measures; but normally, a lot of patience, generosity and intelligence is required before reaching that limit.

### **ASPIRATIONS:**

Do everything possible so that harmony rules in your own family. Also, fight so that the family in general may be defended by civil law.

**Fr. Santiago Martin, FM**

*Founder & President of the Franciscans of Mary*

## Sagrada Familia: Salvar la familia

*"Levántate y toma al niño y a su madre y huye a Egipto y estate allí hasta que yo te lo diga, porque ha de acontecer que Herodes busque al niño para matarle".*

(Mt 2, 13-15)

La fiesta de la Sagrada Familia, que la Iglesia siempre sitúa en el primer domingo después de la Navidad, nos invita a reflexionar sobre la vida familiar que cada uno está llevando, entendiendo por familia también a los ancianos y a los tíos, y no sólo a los propios hijos o a los esposos. En este caso, el texto elegido por la Iglesia es el de la huida a Egipto y, por lo tanto, nuestra meditación y nuestra práctica debe ir dirigida a ver qué situaciones de peligro hay para nuestra familia en particular y para la familia en general.

Todos sabemos que hoy la familia atraviesa una gran crisis, con muchos problemas derivados de la incertidumbre acerca de cuál es el papel que deben jugar los padres, cuál el de los hijos y cuáles son los límites de los derechos de unos y de otros. No es fácil la convivencia y por eso son cada vez más el número de familias rotas. Por eso, el objetivo de esta semana es el de construir o reforzar las relaciones de amor partiendo del respeto a los derechos del otro sin que eso signifique abdicar de los derechos propios. Para ello conviene conjugar dos principios básicos. El primero es el de que toda convivencia implica sacrificio, aunque también lleva aneja la existencia de buenos momentos; no se puede pretender vivir en familia sin amor y no se puede pretender amar sin aceptar la cruz; además, si se elige no vivir en familia, hay que tener en cuenta que también ahí hay sacrificios, el de la soledad por ejemplo. El segundo principio es el de que todo tiene un límite y cuando ese límite se sobrepasa se pueden recurrir a medidas extraordinarias que la Iglesia permite; pero hasta llegar a ese límite normalmente hay un largo camino que hay que recorrer, con paciencia, con generosidad, con inteligencia.

### **Propósito:**

Hacer todo lo posible para que reine la armonía en la propia familia y también luchar para que la familia en general sea defendida por las leyes civiles

**P. Santiago Martín, FM**

*Fundador & Presidente de los Franciscanos de María*

### MERRY CHRISTMAS SEASON & NEW YEAR

In the fourth Advent week prophet Micah told us about the City of Bethlehem where Jesus was born. Micah said: “But you, O Bethlehem who are too little to be among the clans of Judah, for from you shall come forth for me ONE who is to be ruler in Israel.

We have been on vacation! We have been home with our families. Yes! in the small Bethlehem of our homes, we celebrated together the birth of our Lord Jesus. Jesus, our Prince of Peace ! With profound love we wish all in our community and in the whole World:

A peaceful, blessed and Merry Christmas season and a wonderful New Year!
