19TH SUNDAY IN ORDINARY TIME

Peter said to him in reply, "Lord, if it is you, command me to come to you on the water." He said, "Come." Peter got out of the boat and began to walk on the water toward Jesus. - Mt 14:28-29

Our Mission:

Devoted to Jesus Christ as disciples, we help others become disciples, and work to renew our culture.

Our Vision:

That all who experience St. John Vianney Parish in any way, find Christ irresistible.

XIX Sunday in Ordinary Time: Why Did You Doubt?

“Peter got out of the boat and began to walk on the water toward Jesus. But when he saw how strong the wind was he became frightened; and, beginning to sink, he cried out, ‘Lord, save me!’ Immediately Jesus stretched out his hand and caught Peter, and said to him, ‘O you of little faith, why did you doubt?’” (Mt 14: 31-33)

In life, it is normal to go through moments of doubt, moments in which it seems that God is very far from us, if He exists at all. These are the decisive moments, the moments when our faith is tested. We would like to never feel loneliness and for the Lord to always respond to us quickly and solve the problems that overwhelm us.

Instead, sickness, disappointment and failure make us feel, in all its crudeness, the weight of the cross that Christ carried on His shoulders and that also led Him to ask the Father why He had abandoned Him.

In order to get out of this situation, we just have to remember the gifts we received in the past, the proof that God has given us on so many occasions about His existence and His solicitous love for us. From there, we have no choice but to place ourselves into His hands and, asking Him to help us, do as Peter did: throw ourselves into the lake and do the impossible, that is, walk on the water with God's help. And if we feel that we are sinking, that we lack faith, let's not hesitate to ask for help as St. Peter did, even if our Lord scolds us for our lack of faith. Walking on water, a symbol of understanding God's plans, is not possible for us. Just as our nature prevents us from doing what it allows the fish to do, our intelligence is limited to understanding God's plans. But to have faith is possible. To believe without understanding, to accept the mystery, to assume that God is greater than we are is within our grasp, but only with His grace.

Aspiration: When you have problems and it seems that God is not helping you, remember His help in the past. Be patient and do not forget that “God writes straight with crooked lines.”

Fr. Santiago Martin, FM

Founder & President of the Franciscans of Mary

XIX domingo: ¿Por qué has dudado?

“Pedro bajó de la barca y echó a andar sobre el agua acercándose a Jesús; pero, al sentir la fuerza del viento, le entró miedo, empezó a hundirse y gritó: ‘¡Señor, sálvame!’ En seguida Jesús extendió la mano, lo agarró y le dijo: ‘¡Qué poca fe! ¿Por qué has dudado?’” (Mt 14, 31-33)

Lo normal en la vida es atravesar momentos de duda, momentos en los cuales nos parece que Dios está muy lejos de nosotros, si es que existe. Son los momentos decisivos, los momentos en que se pone a prueba nuestra fe. Quisiéramos que el Señor nos respondiera siempre rápidamente, que nunca tuviéramos la sensación de soledad, que Dios nos solucionara los problemas cuando nos agobian.

En cambio, la enfermedad, la decepción, el fracaso, nos hacen sentir con toda su crudeza el peso de aquella cruz que llevó Cristo sobre sus hombros y que también a él le llevó a preguntarle al Padre por qué le había abandonado.

Para salir de esta situación no hay nada como recordar los dones recibidos en el pasado, las pruebas que en tantas ocasiones Dios nos ha dado de su existencia y de su amor solícito por nosotros. Desde ahí, no nos queda más remedio que ponernos en sus manos y, pidiéndole que nos ayude, hacer como Pedro: arrojarnos al lago para hacer lo imposible: andar sobre las aguas con la ayuda de Dios. Y si sentimos que nos hundimos, que nos falta la fe, no dudemos en pedir ayuda como hizo San Pedro, aunque el Señor nos regañe por nuestra poca fe. Andar sobre el agua, símbolo de entender los planes de Dios, no nos es posible. Del mismo modo que nuestra naturaleza impide lo que permite a los peces, nuestra inteligencia se encuentra limitada para comprender los planes de Dios. Pero tener fe sí es posible. Creer sin entender, aceptar el misterio, asumir que Dios es más grande que nosotros, está a nuestro alcance, con su gracia.

Propósito: Cuando tengas un problema y te parezca que Dios no te ayuda, recuerda momentos anteriores. Ten paciencia y no olvides que Dios escribe derecho con renglones torcidos.

P. Santiago Martín, FM
