The Diocesan Office of Safe Environment is available to help you or anyone who has been abused or victimized by someone representing the Catholic Church. We will listen to your needs and support you. We will help you make a formal complaint and arrange a personal meeting with the bishop, or his delegate, if desired. We encourage you to come forward and speak out.

If you observe or have reason to believe that a child or vulnerable adult has been subjected to abuse by a priest, deacon, employee or volunteer of the Diocese of Salt Lake City, you must report the alleged abuse to local law enforcement and state agencies, and you must notify the Diocese of Salt Lake City, Office of Safe Environment.

BELIEVE IN THE POSSIBILITY OF HELP AND HEALING. THERE IS HOPE.
