### Mrs. B.'s Bulletin

I am filled with gratitude as I think back on the school year. We had a huge number of volunteers help during our Field Day and Garage Sale, not to mention the number of family and friends of Transfiguration school that helped to make this year a success! From helping at recess, to lunch room monitoring, to library cleaning and reshelving, to math tutoring, our volunteers are truly a blessing from God! We could not be a school of Christian discipleship, academic excellence, and great love without you!

## Thank You

Thank you, too, to all parents of our students. It is a privilege to be a part of these childrens' lives, and we are lucky to work in an environment where *everyone* is seen, known, and loved. So many times I have wished that parents could see what we see in a day - an older student grabbing a stuffy to comfort a younger one; a class finding a special way to celebrate a new baby; a teacher tearing up with pride because the little one she had years ago is now a confident young man; an audience dropping their jaw at the purity of a kindergarten singing voice, middle schoolers encouraging each other to get through a tough test. A million moments of God's grace that we live because you trust us to help educate your child. Thank you!
