Volunteer Opportunities

Any of these three volunteer opportunities will fulfill your family's volunteer requirements for the year. If you are interested in any of them, please contact Sue Berthiaume for more information!

Breakfast Coordinator - Transfiguration will be offering breakfast each day this year, and we are looking for a volunteer to coordinate and lead this program. The volunteer would help to serve and clean up, being available from 7:30 - 8:30 am.

Trunk and Treat Coordinator - We are excited to continue our Trunk and Treat tradition! We are looking for a volunteer to spearhead this event, working with a staff member. The leader would assist with communication, coordinating cars and treats, and work with other volunteers.

Black and Gold Coordinator - We are looking for a volunteer to lead the Black and Gold committee to plan this major fundraiser. You will lead a team of volunteers to help with seeking donations, communication, and preparation for the event.

We are hiring!

We have four positions currently open at our school: Kitchen Assistant, Music teacher, 2 Extended Day Coordinators, and Custodian. Please contact Sue Berthiaume for details if you are interested. Please spread the word about these positions!

Kitchen Assistant - This paid position will help serve lunch on Mondays and Fridays from 10:30 am - 1:30pm.

Music Teacher - This paid position is responsible for teaching music from preschool - middle school, and planning three musical performances during the year.

Extended Day Coordinator - We are looking for two people each day, from 2:30 - 5:30 pm to create a safe, engaging environment for our extended day afternoon program. This is a fun position for anyone who likes to get creative and active with kids in preschool - grade 5!

Custodian - This paid position would entail being available throughout the school day for clean up and minor maintenance needs, as well as setting up/tearing down for school day events.

Mrs. B.'s Bulletin

This summer I am participating in two courses: Catholic School Leadership and Catholic School Foundations of Theology. These courses draw current and future principals from across the country to the University of Saint Thomas to learn more about creating an authentic Catholic culture in our schools. I learned a great deal from these courses, and was reminded often of how deep, rich, and full our Catholic faith really is - you are never done learning! I am excited to implement some new ideas to continue developing our Christ-centered environment!
