Mrs. B.'s Bulletin

I hope all families are enjoying the summer! We are continuing to make improvements to our school throughout these months so the students return to an even better environment! For example, all ceiling lights have been replaced with new, more energy efficient lighting, due to a grant from Xcel. We are creating an Art classroom for all students to use for their Art specialist class, as well as preparing for Spanish for grades 3-8. We are also gearing up for some major events in the fall: Middle School's trip to Eagle Bluff, Walk-A-Thon, and Trunk or Treat! Please pray for our school throughout the summer, and be sure to spread the word about Transfiguration! We still have space in many classrooms and would love to welcome more children to our family of families!
