Parents are the primary religious educators
of their children. (CCC1653)

The home is where a child should first
experience the Catholic Faith. Our CCE program aims to
work in partnership with parents, in order to assist them
in living that faith.

Los padres son los principales educadores
religiosos de sus hijos. (CCC1653)

El hogar es el lugar donde un niño debe ser lo
primero experimentar la fe católica. Nuestro programa
CCE tiene como objetivo trabajar en colaboración con
los padres, con el fin de ayudarles a vivir esa fe.
