26th Sunday of Ordinary Time

Luke 16:19-31

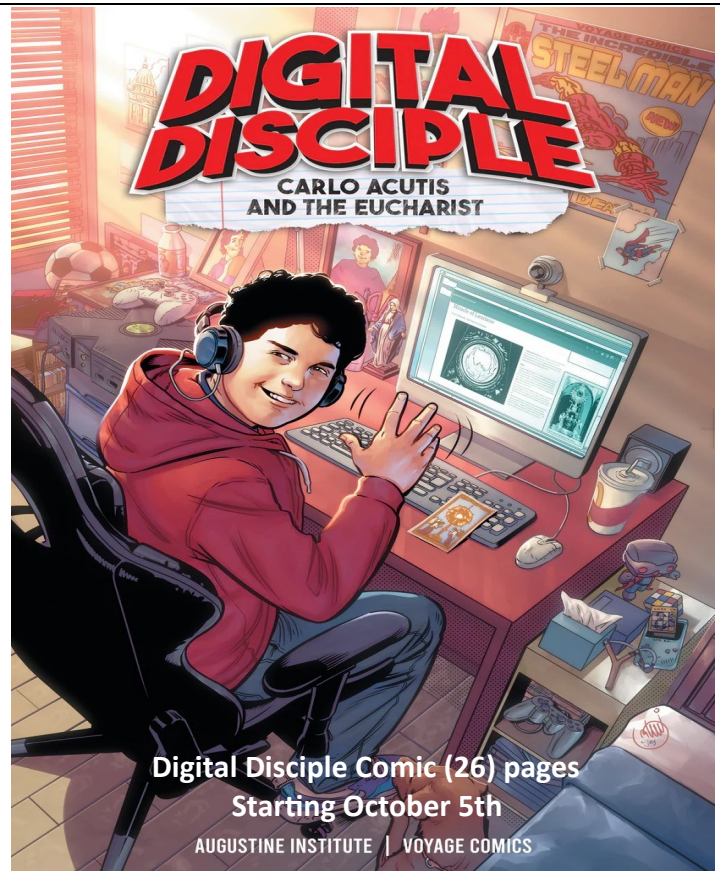

In Luke's Gospel reading for today, Jesus teaches the Pharisees an important lesson by telling them the story of Lazarus and the rich man. Lazarus was a very poor man who suffered greatly. When he died, Jesus said that "he was carried away by angels to the bosom of Abraham." In the same story, we hear of a rich man who lived with great wealth while Lazarus suffered. Upon his death, we learn that he was "in torment." The rich man in the story asked Abraham to send Lazarus to warn his family so that they could change their ways and not be subjected to the eternal suffering he faced. But Abraham declined, saying, "If they will not listen to Moses and the prophets, neither will they be persuaded if someone should rise from the dead." Sometimes, we are like that rich man and his family. We know Christ's teachings and His Commandments, and yet we ignore the suffering of those around us and break those rules by sinning. Let's pray together for the strength to hear Jesus' message in this Gospel passage and to change our hearts and lives today.

Activities:

- How can you grow in poverty? This doesn't mean you need to get rid of all of your things! Rather, having a spirit of poverty means you are detached from this world and attached to God.
- Do you make fun of others or look down on them for any reason? Make a resolution to never do so again, and if you are able, apologize to those whom you have hurt in this way.
- The Holy Souls in Purgatory are those who have died in a state of grace but are not yet completely purified in order to enter Heaven; they are suffering and need our prayers. Do something you dislike doing (without complaining!) today and offer it up for the Holy Souls
