

Our Story

Remember your story!

The way in which God brought you together is beautiful.

This month, think of a special moment; first date, your wedding, honeymoon, any memorable event that is important to your story. You are going to use that and (re)create it for a themed date. Did you meet in college and always eat certain fast food? Throw on some collegiate gear and order the cheap pizza or Chinese. Do you live near where the proposal took place? Go and have a meal or picnic there!

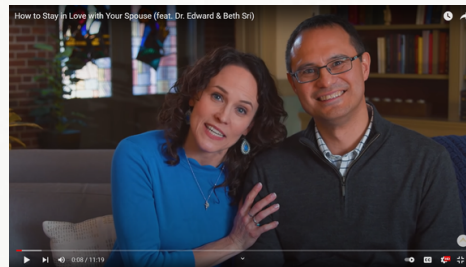

Did you honeymoon in Europe? Enjoy a themed meal with coordinating music. Do you remember your first dance at your reception? Find that song and dance to it wherever you are. Make this date as unique as your own story.

As part of your date, watch the video on the following page and take time to reflect on the questions.

Don't forget to text or email
a photo of your date to Beth
at 608-301-6136 or
beth.ulaszek@madisondiocese.org for a chance to win a
gift certificate for a date
night out!!
