PRINCIPAL'S MESSAGE:

Dear Families of St. Josephs,

As we enter the final 20 days of the school year, our school community is preparing for a very busy and exciting stretch filled with many wonderful activities for our students. In the weeks ahead, children will participate in Track and Field meets, engaging field trips, our Grade 6/7 Marketplace, Fine Arts Night, and many other opportunities that celebrate learning, creativity, teamwork, and school spirit. These experiences help create lasting memories and are an important part of the vibrant life of our Catholic school community.

At the same time, we remind our students that summer vacation has not yet begun. These final weeks remain important learning days, and we encourage all students to continue staying focused, organized, and committed to their classroom responsibilities and daily routines. Finishing the school year with perseverance, gratitude, and a positive attitude is a wonderful way to honour the many gifts God has given us throughout the year.

We are also very pleased to introduce Mrs. Ana Lucia Naranjo Bastidas, who has been hired as our new part-time Administrative Assistant. This transition comes as Mrs. Sullivan reduces her schedule to two days a week beginning this August. Ana moved to the Island last year from Toronto and already has strong connections to our school community as a parent of two children attending our school. She brings extensive professional experience from her work with CIBC and Scotiabank, as well as a Master's Degree in Linguistics. Ana will begin training a few days a week in June and will formally begin her new role on August 24th. We warmly welcome Ana to our staff and look forward to the many gifts, talents, and experiences she will bring to our school community.

Have a great weekend!

In Gratitude,

Glen Palahicky

Principal, St. Joseph's Elementary

NEWS FROM THE LSC

The Local School Council will hold its AGM on May 26th at 6:30 pm. Voting will take place to select new members to the Local School Council.

We have been blessed with five nominees who have stepped forward to serve our school community. We give thanks for their willingness to offer their time, gifts, and talents in service of others. Each candidate brings God-given strengths, perspectives and experience that will help guide and support our school. We encourage you to learn more about the candidates by reading their biographical sketches below.

Tiffany Campbell

Tiffany Campbell is a dedicated parent and educator, and the mother of two children currently attending St. Joseph's Elementary School: Hunter, who is in Kindergarten, and Everly, who is in Grade 3 and has been part of the school community since Kindergarten.

Tiffany is a member of St. Joseph the Worker Parish, where she has been an active participant for several years. After completing the Lower Island RCIA program, she was recently baptized and officially welcomed into the Catholic Church at Easter. Her growing faith has led her to become more involved in parish life, including volunteering with the Cookie Ministry and Coffee Ministry. She has also previously served as a volunteer teacher for the Children's Liturgy of the Word.

Within the school community, Tiffany has been an involved and committed parent since her children began attending. For the 2025–2026 school year, she serves on the Parent Support Group (PSG) Executive as Treasurer. In this role, she has contributed significantly to the organization and execution of school fundraising initiatives, volunteering her time and energy to support a wide range of events that benefit the school community.

Professionally, Tiffany is a Teacher Librarian at Royal Bay Secondary in the Sooke School District. She brings over 15 years of experience in education, having taught at the elementary, middle, and secondary levels in both public and private school settings. She holds a Bachelor of Arts in French with a minor in Mathematics, as well as a Bachelor of Secondary Education. In addition, she has earned a Montessori Elementary Teaching Certificate and a Master's degree in Library and Information Sciences. Her professional experience reflects a strong commitment to student learning, collaboration, and educational leadership.

Tiffany is passionate about education, faith, and community, and is committed to supporting the continued growth and success of St. Joseph's Elementary School.

Karol Dworkowski

My name is Karol Dworkowski, my daughter Aria Dworkowski is attending St Joseph for her second year, Aria is in Miss Buckies Kindergarten class.

I am a devoted Catholic father with strong family values and desire to be involved in my daughters education. So much so we commute from Sooke everyday for her to be a part of St Joseph. We are parishioners of St Rosa Lima, Aria also attends catechism classes through our church. We have a 2 year old son that God willing will attend pre-school in St. Joseph. My wife Natalia and I really appreciate this school and its Catholic values and we are very grateful for the opportunity to be a part of this school. I am a licensed heavy-duty mechanic who has been in sales since 2011 and most recently a business owner of an online heavy equipment consignment company since 2020 with 12 Employees across Canada. I believe I have lots of value to add to the school Council.

Johanna Osborne

parish membership ~ Saint Joseph The Worker

diocesan/parish/civic involvement ~ SARHS's PSG, Creative Content for SJ/SARHS,

occupation ~ Filmmaker-Photographer-Producer, Artist/Creative Content Maker, Instructor, Business Owner

My talents include creative brainstorming, intelligent and thoughtful discernment, shaping a vision in a tangible direction and storytelling mirroring the Best Author Ever. I am capable of producing creative content (photography, film, creative writing), fashioning spirit-filled events (retreats, arts festivals, workshops, collaborations), directing fundraising and excellent curriculum, and fighting the good fight in the name and truth of Jesus and His Church, however that may need to be fulfilled by the Precious Holy Spirit.

Lucie Tica

I am writing to express my sincere interest in serving as a member of the LSC at St. Joseph's Elementary School. As a dedicated community member with a firm commitment to educational excellence, I am confident that my background and devotion will allow me to contribute significantly to the board's work.

My family and I are actively involved in the parish communities of St. Joseph's the Worker and St. Leopold Mandic. We regularly support food collections, volunteer at fundraising events, participate in outreach to older people through social activities such as bocce, and contribute to parish cultural initiatives, including folklore celebrations. These experiences have strengthened our bonds within the community and deepened my commitment to service.

I hold a BA in Christian Spirituality and have worked as a writer for an upcoming newspaper portal. Also, I hold a certificate as an Educational Assistant, and serve as a backup, which has helped me develop skills in teaching, leadership, and creative problem-solving. My part-time job in construction administration at a consulting company, along with previous work experience, has given me practical knowledge in budgeting and collaborative decision-making.

Genevieve Vuksic

My name is Genevieve Vuksic, I was born and raised in Woodbridge, VA. After high school I moved to Montreal to attend McGill's School of Music where I met my husband, Timothy. We married in 2017 and in 2020 we moved to Victoria for my husband's work. We have two children together, Catherine and Royce. Catherine is five and in kindergarten at St. Joe's while her little brother Royce is 3 and goes to St. Joe's Preschool for two days a week.

We are registered at Sacred Heart Catholic Church, though we sometimes attend mass at St. Andrew's Cathedral and St. John Henry Newman in Esquimalt. At Sacred Heart, I run the Moms and Tots Playgroup once a month and most Sundays I also help teach the Signs of Grace Catechism classes after mass. Since the birth of my oldest, most of my time has been focused on raising my children. In the past I have taught private double bass lessons, offered music coaching, and performed professionally.
