Dear Padre
November 16, 2025

Is it a sin to swear if I'm not taking the Lord's name in vain?

As hard as it might be to comprehend, not every bad habit is a sin. Human weakness is sometimes nothing more than human weakness. An exclamation of anger or frustration is often nothing more than an expression of how you feel. When we assign "sin" to every human action or imperfection, we trivialize sin. When we see sin around every corner and in every possible human interaction, we might very well become numb to the presence of real sin when it occurs. The possibility of sin is a wonderful motivator to help us adjust our choices and change our behaviors, but it need not be the only option.

Monitor your speech because you want to be a good person, a mature person, a caring person. That is a virtuous reason and worth the effort. At the same time, remain vigilant, as any good person who desires to be in relationship with the Lord, and choose behaviors that model a good Christian life. Examine your choices and decisions, and when you recognize the presence of sin, be willing to acknowledge that it is sinful, confess it, and then graciously accept the forgiveness and mercy of the Lord.
