*Solemnity of the Most Holy Body and Blood of Christ*

Dear brothers and sisters in Christ,

Today's feast marks the beginning of the parish phase and second year of the National Eucharistic Revival. At the same time, we near the end of the first year of Beacons of Light, our archdiocesan planning process. These two initiatives are bound together: our pastoral planning efforts are directed toward building vibrant Eucharistic communities in which we recall all that Christ has done for us and respond as He commands – to eat and drink of His Body and Blood and thus have eternal life.

Eucharist is the first principle of Beacons of Light: “The Mass is the source and summit of the whole Christian life. Accordingly, the Eucharist is the essential moment for building up and strengthening the parish community, along with the sacraments and other celebrations of the paschal mystery – the passion, death, and resurrection of Jesus Christ.”

Beacons of Light is a process of pastoral planning to best arrange our many resources – human, financial, physical – to pursue the God-given mission of sharing the Gospel throughout our archdiocese. I am grateful to everyone who has come together as a Family of Parishes and begun to discern how the Spirit of God is working among us. Beacons of Light will only be successful under the guidance of the Holy Spirit, and only if our parishes are communities of faith truly centered on our Eucharistic Lord.

In this phase of the Eucharistic Revival, my brother bishops and I are encouraging the Church in the United States to greater Eucharistic devotion, especially through more life-giving, beautiful, and transformative celebrations of the Eucharist every Sunday. All those who lead the Church at prayer – priests, deacons, and lay liturgical ministers – are called to prepare for and celebrate the liturgy with fidelity to the text and rubrics given by the Church. Our liturgical leaders must also create measures of true hospitality, and ensure excellent preaching and sacred music, so that all may more fully encounter Jesus' true and abiding presence each time we come to Mass.

On this Solemnity of the Most Holy Body and Blood of Christ, we invoke, “Grant your Church, O Lord, we pray, the gifts of unity and peace, whose signs are to be seen in mystery in the offerings we here present.” We ask our Lord in a special way that our celebrations of the Eucharist truly foster unity, not only in our Families of Parishes, but across our entire archdiocese. This *unity* – not *uniformity* – is a cornerstone to building up the Catholic Church in these nineteen counties of western and southwestern Ohio.

As we move into the summer months, I invite you and your family to join me in praying for the success of both Beacons of Light and the National Eucharistic Revival. Thank you for your prayerful support of your pastor and parish leaders. May the Spirit of God continue to lead us to deeper participation in the Eucharist and to bear the fruits of that mystery to a world desperately in need of God's love.

Sincerely yours in Christ,

Most Reverend Dennis M. Schnurr  
Archbishop of Cincinnati

CHURCH

For the past several weeks, we had Fr. Matt's letter in the bulletin explaining the need to have facilities scheduled for meeting spaces, gymnasium facilities, and parish rooms within all 5 campuses. This important measure is for the safety of our parishioners and staff as well as compliance with SafeParish. We now have the letter explaining the procedures and the facility scheduling sheet available on our websites under "Meeting Spaces." If you need to download a scheduling sheet, just click on the link "Facility Request Form," print and fill it out, and turn it in to one of the parish offices. This is a temporary measure until we have a permanent link available for scheduling meetings/athletic spaces in the near future on the websites.

Thank you for your patience as we transition through this new process. If you have any questions, please contact Larry Witsken at [witsken@saintantoninus.org](mailto:witsken@saintantoninus.org).

### ST. ALOYSIUS GONZAGA – NEW PARKING REGULATIONS

Effective immediately, parking along the church and school in the alley is **no longer permissible**. ## SUMMER PAINTING PROJECT – St. Antoninus

The St. Antoninus school building needs your time and talent! The PTO and Building and Grounds are needing volunteers to continue with their summer painting project. This summer we are painting four areas of the school. The parish will supply the paint, but we are asking school families to provide the brushes, rollers, rags, as well as their time and talent to paint. Painting will start mid-June and will need to be completed by the end of July. You can work on your own schedule; mornings, afternoons, or evenings. We will provide appropriate access to the rooms and the paint. All participants in the painting project will be entered into a drawing for a chance to win a \$75.00 gift card to the Spirit Shop courtesy of the PTO.

# Protect Women Ohio

Protect Women Ohio is a coalition of concerned family and life leaders, parents, health and medical experts, and faith leaders in Ohio committed to fighting back against the abortion industry's dangerous proposed amendment.

This amendment would:

## **Erase the basic rights of parents.**

- Parents would not need to provide consent or be notified before their minor daughter undergoes a life-altering procedure, like abortion or sex-change surgery.
- Language similar to the language in the proposed amendment has been interpreted by courts to nullify parental notification and consent laws. Any law that "directly or indirectly" would "burden" or "interfere" with "reproductive decisions" is specifically forbidden – meaning parents could be cut out of the most important decisions their children make.
- Amendment drafters like the ACLU have been fighting against parental rights for decades. Ohio parents are their latest target.

## **Jeopardize basic health and safety protections for patients when it comes to abortions.**

- The radical amendment would likely abolish existing health and safety protections for women, like those requiring that pregnant women seeking an abortion be screened and counseled by a licensed doctor who could transfer her to a hospital if something went wrong.

## **Allow painful, late-term abortions, even after 15 weeks and right up until the moment of birth.**

- The amendment would greenlight abortion all the way up to birth by giving abortionists the final say on what's allowed.
- Constitutional scholars Carrie Campbell Severino and Frank J. Scaturro recently wrote in their legal analysis that the amendment language would "effectively obliterate most limits to abortion or sex-change surgery." Accessible here: <https://www.nation-alreview.com/2023/03/ohios-disastrous-abortion-ballot-proposal/>

This amendment is dangerous and extreme. It threatens parental rights and the health and safety of women in Ohio, and permits painful, late-term abortions.
