others as evangelists, others as pastors and teachers,
to equip the holy ones for the work of ministry,
for building up the body of Christ. EPHESIANS 4:11-12

END OF LIFE INFO

CCC 2279 Palliative Care

Even if death is thought imminent, the ordinary care owed to a sick person cannot be legitimately interrupted. The use of painkillers to alleviate the sufferings of the dying, even at the risk of shortening their days, can be morally in conformity with human dignity if death is not willed as either an end or a means, but only foreseen and tolerated as inevitable. Palliative care is a special form of disinterested charity. As such it should be encouraged.

A MESSAGE FROM THE BISHOP

Dear Sisters and Brothers in Christ,

I write today to express my gratitude for your generous response to our 27th Annual African Mission Appeal which was held in our parishes on March 5 and 6.

Your wonderful generosity demonstrates your spiritual unity with Pope Francis' strong pastoral dedication to the poor.

The money collected for the African Mission Appeal supports our missionary activity in Kisii, Kenya, East Africa. You can be very proud of all the missionary work that we are able to accomplish because of your generosity. On behalf of our poor brothers and sisters and all the orphaned children whom you have helped, I offer my heartfelt thank you.

I hope you get a chance to read about the exciting ministry that Brent and Jessica Naslund and their family are accomplishing because of your support in the quarterly issue of the Kenya Connection newsletter. They are full of interesting articles describing the wonderful work and ministry made possible by your contributions. More information can also be found on our diocesan website and the African Mission Facebook page.

Once again, I thank each and every one of you who supported our African Mission Appeal. You are faithful and generous stewards.

Sincerely yours in Christ,
Most Reverend David D. Kagan
 Bishop of Bismarck
