### NATURAL FAMILY PLANNING CLASSES

An instruction in the Billings Ovulation Method of NFP will be offered at Christ the King on **Monday, October 16**, @ 7:00 pm. For questions and to register, please call Samantha at 218-280-8327 or *samanddevyn@gmail.com*. For more information on the Billings Method and these instructors visit [www.bismarckdiocese.com/billings](http://www.bismarckdiocese.com/billings).

"He dispatched his servants to summon the invited guests to the feast, but they refused to come." Why? What made the king's invitation so distasteful to these guests? According to the parable, either the guests were too busy with their farms and their businesses, or else they were downright hostile to the entire idea: they "laid hold of his servants, mistreated them, and killed them." What could possibly explain this resistance?

Perhaps we have a clue in the puzzling conclusion of today's Gospel. One of the second-string guests pulled in from the streets came to the feast "not dressed in a wedding garment." The man knew he was guilty, hence his silence. And the king's punishment suggests that the fellow ought to have known better. This "wedding garment" calls to mind the preparation of our souls necessary to join in the great "wedding feast of the

Lamb" (Rv 19:9), that is, Heaven. This man was apparently just too lazy to get ready. He presumed that having received an invitation to the banquet was enough, that nothing was required of him. Not so. He should have demonstrated his gratitude by dressing appropriately. And what of the first-string guests? Some were too busy to bother coming; others were furious that they had been invited at all. Now, where do we fit in? Are we more concerned with worldly work than with spiritual growth? Are we offended by the very suggestion that we might need to "dress up" our souls? Or are we the disinterested Christian, willing to feast but too lazy to foster our faith? Jesus gave His life to open the gates of Heaven for us. Let's show our gratitude by preparing radiant, beautiful souls worthy of the Heavenly wedding feast.

*Christ the King School is fully accredited and offers a Catholic-centered curriculum.*

The upper elementary students helped the younger students make applesauce.

Our school has transitioned to everyone sitting at circular tables in the lunchroom. The Montessori students eat lunch this way in order to foster conversation and work on good table etiquette. It was decided that even the students who are not in Montessori would benefit from this, and the change was implemented in the cafeteria.

Right: Mr. Nagel, CTK School & Montessori Principal and science teacher, joins the students for lunch.
