Golfers…be sure to get your team registered for the 12th Annual KJT State Golf Tournament to be held on October 5th. We are heading back to the Flatonia Golf Course in Flatonia, Texas at 1245 Hwy 90 East once again. More information on the course is available at www.flatoniagolf.com. “We Are Blood”

KJT Society #132, Pflugerville

The “We Are Blood” mobile bank of Central Texas was invited by KJT Society 132 to St. Elizabeth of Hungary in Pflugerville to continue their efforts to supply central Texas with blood. Connie Dickinson was the organizer for the KJT blood drive which collected 20 units of blood. “We Are Blood” needs approximately 200 units of blood donations a day to maintain a safe and healthy level of blood for Central Texas. At times the blood bank has a demand for one type of blood over another. When blood is donated, approximately one pint of blood is taken. A donor can give blood every 56 days.

Pictured above is James Wilhelm a St. Elizabeth parishioner and long-time blood donor. James has donated a total of thirty-one gallons of blood over his lifetime. Thank you James for your lifetime contribution.

A number of other parishioners donated blood on Sunday September 8th.
Welcome, September!! Now that we are all back into the swing of things and school is now underway, it's almost time to get ready for the holidays. Hard to believe only three months left of 2019.

In a few weeks, we will be teeing off in Flatonia at the Central Texas KJT Golf Tournament on October 5, 2019. The tournament will begin at 9 a.m. at the Flatonia Golf Course. Please contact David Wagner or myself to get your team on the list. Following the golf tournament, KJT will be hosting their Annual KJT State Tarock Tournament in La Grange at the TCHCC Czech Heritage Festival and Muziky located at the TCHCC Center in La Grange, Texas, October 19, 2019. I have included both players on this page. If you have any questions about the upcoming events, give us a call here at the KJT Home Office, and we can help you out. You can find a list of dates on page 3 of all the events you will find us at. Feel free to stop by, and talk.

In other news, if your society has an event coming up, a story to tell, an anniversary or membership to celebrate, or someone you know in your society has done something outstanding, let us know. You can email your articles to media@kjtnet.org, and we would love to include your article in the KJT News. Also, we are in search of larger articles to share in the center-fold of the newspaper. So, if you have a story you would like to share, it could possibly be the next centerfold story in the upcoming year.

I pray you all get enough rain over the next few months; I pray for student success at the start of the new school year, peace in all homes, and comfort within your families.

Thank you all for being such wonderful members to this amazing organization. If it weren’t for your support, dedication, and charity, this organization would be what it is today.

God Bless.

KJT Tarock Tournament

I pray this article finds you all in good health and cooler weather. This has been an extremely busy spring and summer for me. This last month has seen 100 degree days, and it tends to zap some of our energy, but with a shade tree and cold beverages, we will get through it.

I am looking forward to a busy fall season with many more festivals and events. On September 22, 2019, I head to Victoria for Victoria’s Czech Heritage Festival. Our KJT State Office is sponsoring a kolache eating contest this year. On Saturday, September 28th, I will head to Hallettsville for the Kolache Festival. Then on Sunday, September 29th, I’ll be headed to Houston for the Slavic Festival. If you see me around, feel free to stop by and say hello.

We have a little over three months to improve our membership before the end of the year. We can all work together to achieve this.

Looking for Cooler Temperatures to benefit children stricken with cancer. We will play a 4-person scramble format at $320 per team which includes mulligans. At least one person on the team must be a KJT member. There will be prizes for longest drive, longest putt, and closest to the pin. In addition, we will have a cut the card raffle once again for nice raffle prizes to raise even more for Kids Unlimited. Carts will need to be paid for separately at the clubhouse. We have plenty of openings for teams so be sure to give us a call to sign up. We look forward to seeing everyone there!

KJTTarockTournament

Lastly this month, I want to remind our Tarock players out there that our tournament will be held in conjunction with the TCHCC Mužiky Mužiky Festival on Saturday, October 19, 2019. Registration begins at 8:00 a.m. with play beginning at 9:00 a.m. You can find the application for the tournament on page 2 of this issue. We hope to see you there!

Question: I’m interested in signing a lease with a wind farm, but I’m worried they’ll leave the windmill on my property when the lease expires. How can I protect myself from such an occurrence?

Towering windmills are quickly becoming a frequent sight to those traveling along rural Texas highways. As more and more landowners are enticed by wind farm leases, many questions regarding the responsibilities and duties of the wind farm upon the termination of their leases have arisen.

To alleviate these concerns, the Texas Legislature has passed a law (House Bill 2845) that mandates that all wind lease agreements entered into after September 1, 2019 must contain several mandatory landowner favorable provisions. These newly mandated lease provisions are broad, but they more or less require that the wind farm lease contain language making the grantee (the company operating the wind farm) responsible for removing the wind power facilities from the landowner’s property upon termination of the lease. More specifically, the lease must contain provisions making the wind farm company responsible for the removal of the wind turbine, tower, and concrete foundation, as well as most buried cables and overhead power or communication lines.

Further, the lease must include provisions making the wind farm company responsible, upon the request of the landowner, for the removal of roads constructed by the wind company and the backfilling of each hole or cavity created by the wind farm. Lastly, and potentially most importantly, the new law requires the wind farm to obtain and deliver to the landowner evidence of financial assurance to secure performance on the aforementioned obligation to remove the wind power facilities, so that in the event the wind farm company is no longer in business at the termination of the lease there will be monies set aside to pay for the removal and remediation of the landowner’s property.
