Membership Needs Growth

2018 Financials

Happy Spring all! You can find the financials for 2018 on page 6 of this issue. KJT’s financials looked great once again in 2018! Assets now sit at just under $86 million and increased at 4.7% over 2017. KJT’s net income was $597,459 for the year and this helped contribute to an increase in surplus which now sits at $5,250,429. This is a 12% ($561,175) increase over 2017 when surplus was at $4,689,254. That’s the kind of GOOD growth we are looking for financially.

Membership

That was the great news. Now for the bad. We had a net loss in membership of 138 members in 2018 and 2019 has not started out to be much better. By analyzing KJT’s membership, we have found that over 60% of our membership is age 50 or older. We need your help in turning this statistic around! Ask a friend or family member to join our ranks! We have some terrific annuity rates that can earn

EDITOR’S MESSAGE

Spring is Full Swing

Happy Spring everybody!! The weather is starting to warm up, flowers are beginning to bloom, gardens are planted, and spring youth activities are in full swing. Spring is always full of excitement and activities. Track season, baseball & softball, tennis, golf, and stock shows have these younger guys busy as ever and moving in all directions!! You younger ones, don’t forget to thank mom and dad every once in a while for having the car gassed up and ready to take you to all these events!!

Meanwhile, don’t forget to share your stories with us. I’m always looking for stories from our youth. Let me know when you win an event, set a new personal record, or finish a project you have been working on. If I would have thought to have my camera ready, I would have caught my son, Van, making his first double play in baseball. He was playing short stop with a runner on first with one out. He made a diving catch for a grounder, jumped up, touched second base and threw the runner out at first!! While he is still swinging to make his first home run, his first double play was just as exciting!! These are the stories we would like to share from all of our youth! My contact information can be found on page 20. Also, for the youth, don’t forget to sign up for camp this summer!! You can find the applications on this page and on page 17.

Change is coming…

Starting May 1, 2019, KJT membership pin recipients will now receive a postcard on their 25th & 50th anniversaries. KJT will no longer be sending out membership pins without a request. However, if you would like to receive your membership pin, you are welcome to contact us, and we will mail your pin to you.

75-year memberships will remain the same.

There are several ways you can contact us:
Call: 1.800.245.8182
Email: media@kjtnet.org
Website: www.kjtnet.org

I pray you all have a beautiful spring full of beautiful gardens and flowers. I pray for the youth as they participate in all their spring events and activities, and all those who surround them.

God Bless,
KJT News Editor,

**MESSAGE FROM OUR STATE ATTORNEY**

**“Lady Bird Deeds vs. Transfer on Death Deeds”**

**Question:** I have heard about “Lady Bird Deeds” now I have heard about “Transfer on Death Deeds.” What’s the difference?

A “Lady Bird Deed” is legally known as an enhanced life estate deed. A “Lady Bird Deed” transfers property to a grantee while at the same time the grantor retains a life estate with the power of sale. Therefore, the grantee or recipient of the property is really receiving a contingent interest in the property.

Effective September 1, 2015, the Texas Legislature authorized a deed that transfers real property rights to one or more beneficiaries effective at the transferor’s death. With a transfer on death deed, if a beneficiary predeceases the transferor, the gift lapses and is subject to and passes as if it were a devise made in a Will. The transfer on death deed is revocable by the transferor prior to his or her death. However, the transfer on death deed may not be created through use of a power of attorney, so its usefulness in planning for an already incapacitated individual may be a limiting factor.

Finally, property transferred by a transfer on death deed passes outside of probate but, is subject to claims of creditors if the remaining assets in the transferor’s estate are insufficient to satisfy claims. Therefore, the lady bird deed and transfer on death deed have much in common and just a few unique differences.

Please remember to update your records at the KJT Home Office periodically. With the turn of the century, home phone lines are becoming extinct, and most of us use our cell phones as our main lines. It’s important that we have up-to-date communication information here on record. We are proud to personally deliver membership notices, and make it part of our success that we recognize those who have been a part of our organization for so long.

Pflugerville Celebrations

Valentine's Day was celebrated in Pflugerville with an outstanding pancake breakfast on February 10th. The church hall was decorated with valentines, flowers, and chocolates. Many door prizes were given to happy St. Elizabeth of Hungary parishioners. The decorations, prizes and pink Red Velvet pancakes created a cheerful environment and attracted the biggest crowd in recent history. The kitchen staff was working at a hectic pace to keep up with the demand. Connie Dickinson also coordinated the blood drive held in February. The blood drive was held in response to an urgent need for blood in Central Texas. In the picture below Jeffery Antonio Lopez was presented with one of the beautiful floral arrangements given as door prizes. From left to right: Liz Thweatt, George Dickenson, Jeffery, Alice Bosquez, and Connie Dickinson.

TOP OF THE MORNING TO YOU!

St. Patrick's Day was celebrated on March 10th. In keeping with traditional green on St. Patrick’s Day, green mint chocolate chip pancakes were offered as an option in addition to the regular pancakes. The picture left shows Carmen Tydings and her son Liam enjoying a delicious KJT breakfast in the parish hall.

FARM LIFE

That Little Farm in Caldwell, Texas
A farmer girl’s story from the late 1940’s and her life on the farm...

With spring right around the corner, sharing a story about growing up on a farm and living the way of the land seemed ideal. I know a lot of readers can relate to the farming way of life, and while they may all resemble each other, nobody shares the same memories they take away from their past. There is always that one memory that ties all of us back to where we came from and the life we once lived.

Georgie (Urbanovsky) Nors, daughter of Kverin and Agnes (Srubar) Urbanovsky, and wife of Honorary State Director Robert Nors, shares with us her story from a farm in Caldwell, Texas in the late 1940’s where she was the oldest daughter of 6 kids. With eight mouths to feed, life wasn’t always lazy summer days and cozy warm nights in the winter. They were filled with labor in the fields, gardening year-round, and butchering their own feast. Growing up with grandparents who spoke Czech, and immigrants of Czechoslovakia, it was that lifestyle that was handed down to her family.

When I think back, growing up on the farm, we thought we were poor. As young kids, we never realized the value we had within our family. What we didn’t have in material things and money, we made up for in love and ownership of what we had for ourselves. We had a garden large enough to feed us all year long, we had chickens for the eggs, we belonged to a meat butchering group, and we had each other.

Living on the farm is a difficult way of life. When I was younger, I remembered all the struggles we went through. All the hard work and chores that we endured to ensure food on the table. There were chores to be done before school, after school and any time in between. I remember a few cases we were kept out of school to help our parents tend to crops on the farm. We went through our share of hurricanes and floods on the Brazos River and dealt with frozen crops in the winter. A couple of times we planted to soon and lost crops from a late freeze in the spring.

As a child growing up on a farm, summer vacations and spring breaks were never a thing for us. There was always work to be done. One of the chores I disliked the most was every morning my middle brother and I had to milk the cows. It didn’t matter if it was hot or cold outside, that chore had to be done before we left for school each and every day. We had to work fast. After the milking was done, it was in the house to clean up, eat breakfast and catch the bus to school.

Gardening started early each spring. For our “Spring Break,” we spent time plowing and pulling weeds and planting. I remember the Johnson grass being the most stubborn because the roots were down deep in the ground. I can still hear my parents hollering for us...
Kids to make sure we had it all. Potatoes were the first to harvest. We spent time after school and on weekends pulling potatoes. When the corn had grown, but still green, we had to take a sickle and cut the tops of the corn and bundle them for the cows. Then afterward, when the corn was ready, we would hitch up the trailer to our mule and have him walk along the rows while we picked the corn. No one had to drive the mule down the rows; he had been doing it all his life, so he knew exactly where to go. All you had to do was yell “giddy-up” and “whoa.”

Once the garden started to grow, I spent endless hours next to my mother helping her with canning cucumbers, tomatoes, squash, green beans and anything else you could pickle and can. This would go on for months.

Finally, the excitement of summer would be upon us. For most schools kids then, they would be headed to swimming pools and such. My family was headed to the fields to help with cotton farming. Midsummer, the cotton patch was ready to be picked. We didn’t wait for the cotton to open, we had to get it while we could. Sometimes, if Dad thought it was going to be a good year, he would pay us a penny per pound. It doesn’t year but managed to pull through.

Growing up in a Czech kitchen meant we ate like them. We belonged to a meat club, which meant a few families would get together and butcher animals and share the meat. After most butchering, you would find beef, kidney and liver gravy (mogt-ka) for breakfast with a glass of milk we had pulled from the cows ourselves. You would add cream to your coffee from the milk we brought in, and once the milk aged, we would have cottage cheese for kolaches. Mom would always prepare homemade bread for our lunch sandwiches and pack homemade pickles and sweets for school every day. If we were out in the fields, Mom would bring us snacks-svacinia.

This life seemed rough. We worked six days a week and never worked on Sunday’s. Sundays were meant for church and family. Our cousins would come over, or we would decide to take road trips and visit family that was further away. Christmas and holidays were always a family favorite. You would think we spent enough time together working all the time, but our time together celebrating was beautiful.

Our family learned to grow with time. When my parents built a new home in 1966, my older brother and I paid to have a telephone put in. It started as a party line, and over time, we upgraded. I have seen the start of phones on the wall to having a phone in my purse at all times. We had a T.V., but because of all the chores, we didn’t get much time to watch it. When we did watch, Gunsmoke, The Rifleman and Bonanza were a few of our favorites. I never thought I would see so many changes over all this time.

I now live in West, Texas with my family. I still make pickles using my mother’s recipes, and my husband Robert and I still live the simple farm life. I have since lost one brother, Jerry. My other siblings, Kverin Ray, Adelle, Robert, and Agnes and I still find time for each other. I had a wonderful childhood, one I will never forget and will forever cherish. After all this time, after all the upgrades, I would still choose to be raised on that little farm in Caldwell, Texas.

Recipe

**Sweet/Sour pickle**
(Not real sweet or sour):

This makes about 4 quarts:

- Begin by first cleaning the cucumbers really well.
- Put cucumbers in jar with clove of garlic, half of medium onion, and dill
- Mix together 1 cup sugar, 1 cup vinegar, tsp. salt, and 1 quart of water. Boil together, pour over pickles in jars and seal.
- Cook in hot water bath until pickles turn a yellow color about 5 minutes or so.
- Seal and store in a dark pantry.

**Adelle, Robert, and Agnes furnished many changes over all this time.**

KJT Society #31, West
Georgie Nors- Reporter

West Society #31 held a meeting on January 13, 2019, after the 8:00 A.M. Mass, at the Parish Center. Coffee and kolaches were provided for the members. President Michael Kraemer opened the meeting and led the opening Prayer and the Pledge of Allegiance.

Secretary Sandy Kidwell read the minutes from the December meeting. Sherry Pavlas and Michael Kraemer won the attendance prizes.

Robert Nors gave the Treasurer’s report. He also reported on the Raffle income and expenses for the Society’s Christmas Party. The expenses were shared with the KJIT. He also stated that he has the paperwork ready for the Audit Committee members. The Audit Committee members will meet after the meeting. Auditors are Ervin Laubert, Brent Pavlas, and Albert Charanza.

Vice President Sherry Pavlas reported she received “Thank You” notes from Rev. Anthony Rauschuber for the Christmas gift and from Ernest Bezek for enrolling him in the KJT Memorial Foundation. There was no one on the sick list.

President Kraemer read a letter from State Vice-President David Wagner welcoming Sandy Kidwell as a new Sales Representative. He also read a letter from State President, Chris Urban thanking the society for the services to KJT and stated that the State KJT would have three fundraisers this year: Priests and Clergy Retirement Fund, Kid’s Unlimited and Education of Seminarians. The goal of the three fundraisers is $30,000.

President Kraemer reminded officers of the Saturday, February 2nd SDOR meeting at Hillboro starting at 10:30. President Kraemer also received a letter from District President, LaneSchlottman with dates for the District Family Day. Our Society will host the event. After some discussion, a date of Sunday, April 28 was decided. Any earlier dates, the weather may still be cold. We will again try to have it at the Dulock/ Snapka Farm, with registration beginning at 10:00 a.m., and fishing and games starting at 11:00 to 2:00.

Under old business, was the Memorial Weekend Car Show. Our Society will sell Hamburgers and Sausage wraps. It was also suggested that we should have wrapped desserts to sell — more discussion at upcoming meetings.

Under new business is the Fish Dinner Fundraiser held on March 8th, the first Friday of Lent. To determine the cost of plates, we need to look at the price of boxes of Fish. Last year the plates sold at $9.00. Cost of the fish will determine if we need to raise the cost to $10 per plate. Robert Nors stated that he would check the fish prices.

Also under new business, during the March meeting, the Society Officers make breakfast for members and KJIT members. This meeting is on March 10th. After some discussion, it was decided to have eggs, bacon, sausage, and tortillas.

Sherry Pavlas stated that the Scholarship forms will be available. Also, the society will give 2- $500 scholarships. The deadline will be March 31. For a State Scholarship application, members can go online for an application. State scholarships are due in the Home Office on March 1st.

The members of the Catholic Union of Texas, the KJT, wish to express their sincere and heartfelt sympathy to the families and friends of the departed members who are listed above. May their souls rest in peace.
IN MEMORIAM OF...

Sophia Agnes Zvonek
January 21, 1927 - February 23, 2019

Albert J. Sodolak
November 14, 1936 - December 31, 2018

Sophia Agnes Zvonek, 92, passed away peacefully into God's hands on 23 February 2019. As the former owner of Sophie Zvonek's Beauty Shop, which opened in 1958, her keen instincts and hard-working ambition served as a steady beacon of faith for her brothers, sisters, friends, children, grandchildren, and great-grandchildren. Born on 21 January 1927, in Frydek, Czechoslovakia, but she never forgot her Czech heritage, from polka dances to kolaches. She is preceded in death by her sister Bessie Trebyg, brothers John Holub, George Holub, Frank Holub, and Jerry Holub. She is survived by her sister Delores Schmitt and brother Jim Holub.

In 1949, she married Alfred Anton Zvonek, who served in the Navy. Although her husband passed away in 1972, their marriage created five wonderful sons: Ray, Danny, Billy, Mark, and Tom Zvonek, all with whom she remained close to throughout her entire life. She also leaves behind daughters-in-law Lisa, wife of Mark, and Carmell, wife of Tom. She enjoyed the pleasure of watching her seven grandchildren – Angela Zumwalt, Laura Zvonek, Steven Zvonek, Jennifer Zvonek, Harrison Zvonek, Katie Zvonek, and Colton Zvonek, along with her four great-grandchildren – Lydia, Laina, Ava, and Vaughn - grow and flourish.

Sophie, along with her late husband, were proud founding members of St. Louis Catholic Church in Austin, Texas, and she was also an active member of the women's Czech organization, KJZT, which performs charitable works for the local community. She never met a plant she could not nourish back to life; her faith is an inspiration to many. Her home was always a safe refuge for friends and family.

The family would like to thank the wonderful caregivers at Texas Home Health Hospice for their delicate devotion.

All services were held on March 1, 2019 at St. Louis King of France Catholic Church, 7601 Burnet Rd, Austin, TX 78757.

Albert J. Sodolak passed away on December 31, 2018 at home in Frydek, Texas. He was born November 14, 1936 in Sealy, Texas to Charles and Julia Hajdik Sodolak. He attended school in Sealy and graduated from Sealy High School in 1956. After graduation, he joined and served in the US Army and Army Reserves.

Albert married Doris Kutra on August 2, 1959. They had two children, Brian and Laura. He worked for 17 years for Cameron Iron Works before leaving in 1975 to start his own business, Austin County Machine Shop. Albert was one of, if not THE, hardiest workers at ACMS, even working on the holiday weekend the day before his death.

His community activities included: member of Sealy ISD School Board for 9 years; charter member of San Felipe/Frydek Volunteer Fire Department; President of Frydek KIJ for many years where he received the State Fraternalist Award and was a Finalist for the National Fraternalist Award; Former Grand Knight of Sealy Knights of Columbus; Charter Grand Knight and Honorary Life member of Frydek Knights of Columbus; Charter Member of Frydek 4th Degree Assembly.

Albert is survived by his wife of 59 years Doris Kutra Sodolak; son Brian Sodolak and wife Diane; daughter Laura Thaxton and husband Richard; grandchildren Trey and Taylor Bartholomew, and Danielle and Dylan Thaxton; brother-in-law Willie Kutra and wife Deloris; sisters-in-law Helene Mele and Vernell Kutra; as well as numerous nieces and nephews.

He is preceded in death by his parents Charles and Julia Sodolak; sister Mary Eder and husband Marion; sister Lillie Manha and husband Joe; brother Ludwig J. Sodolak, Sr. and wife Loreta; brother Charlie Sodolak; mother- and father-in-law Willie and Frances Kutra; and brother-in-law Bennie Kutra, Sr.

Pallbearers were 4th Degree Knights of Columbus, St. Mary's Assembly members Ludwig Sodolak, Jr., David Ondruch, Bennie Ondruch, Stephen Reichardt, Kevin Cendalski and Henry Micak.

Honorary pallbearers were Albert and Doris's godchildren, in memoriam Lisa Zapalac, Sara Horel, Eric Zapalac, Adam Zapalac, Dominick Sodolak and Steven Kutra.

In lieu of flowers, donations may be made in Albert's name to St. Mary's Catholic Church, 10471 Grotto Rd, Sealy, TX 77474.
