MESSAGE FROM THE VICE PRESIDENT

Parents, your job is never done.

While recent high school graduates prepare to start buying their books, rather than getting them issued, parents too will see changes. As we encourage and coach our young adults to take the right steps in life, as a parent, we also must adequately prepare. Don’t let your loved one leave home or leave for college without getting a few things in order.

Ask yourself, do you still call the shots for shots? If your child is over 18, he or she is legally an adult. That means you do not automatically have the right to tell doctors what to do. Talk with your young adult and agree on a plan to follow if medical attention is needed. Possibly getting a medical power of attorney is the right choice because it could come in handy when trying to make decisions if he/she gets sick or hurt while away.

Plan for the worst! Make sure your young adult has at least some kind of life insurance (or something additional to what they may already have). We recommend taking out coverage to help pay for student loans, credit card debt, existing lease agreements, and other expenses you might not have thought of if death occurs. Death welcomes more than the expense of burial. Make sure you consider and plan for additional costs. Sure, your

Celebrating New Journeys and Hot Summer Days With Family

yet another school year with the kids, or gearing up for family vacations. I joined the Home Office in Ennis the last week of May to experience my first National Polka Festival! What an exciting weekend that was. KJT hosted the kolache eating contest and had a great time doing so. I had the privilege to meet so many great people, listen to some fantastic polka music, and witness the excitement of the crowning of the National Polka King and Queen. I felt as if I were in the presence of Hollywood celebrities of the polka music world!! Congratulations to the 2019 National Polka King and Queen, Louis Stewart Jr. and Elaine Rosquist.

Next, the KJT Home Office landed in East Bernard to host the annual kolache eating contest at the Kolache-Klobase Festival. Once again, we enjoyed a delicious meal, listened to some great music, and laughed with all the members who came near and far to join in on the fun.

A huge thank you to all of you who participated in either the Ennis or East Bernard kolache eating contest. We enjoy hosting these contest and seeing all the smiles that it brings to all of those around. Congratulations to all the winners!!

KJT Youth & Teen camp is only weeks away. We still have room for campers. To fill out an application and pay, visit www.kjtnet.org, or give me a call at 979-968-5877. If you have already paid and sent in your application for camp, check your emails for the complete registration packet. The deadline for these packets will be July 5, 2019. Once again, if you have any questions regarding the packets, please feel free to give me a call.

Thank you all for being such an amazing organization to work for. I celebrated my 2-year work anniversary this month, and I still love my job as much as I did when I first started. A huge part of why I love my job so much belongs to the members!! Thank you for being so awesome!!!

I pray you all have a safe and wonderful summer. I pray your journeys are traveled safely and those who are making big changes find the faith they need to face the new chapters ahead of them. KJT News Editor, media@kjtnet.org 979-968-5877

budget is already strapped yet $50,000 of coverage will cost you around $10 per month. Trust me; it’s not going to break the bank. Also, can you imagine your finances if the worse did happen and you didn’t have the coverage?

Most teens are good at managing their social media, yet what about their finances? Today, personal finance is part of most High School curriculums, yet for the most part, it’s all theory. It never hurts to review budgeting, finances, and simple money management with your young adult. Make sure your child is on the same page when it comes to the words “Emergency Only.” Explain to them getting a discount on an Amazon purchase in return for signing up for a credit card isn’t always the best idea. Also, take the time to talk about how 26% APR isn’t always a good thing on a credit card. That’s not to say that getting a credit card is terrible; it’s essential. With that said, you need to build your credit and most credit card carriers will allow lower credit limits if requested. Usually, a credit increase is only a phone call away. So, once some experience is logged, you can reward that experience with a higher credit limit. Money isn’t like unlimited cell data, establish a budget, and explain what happens if they go over. If they have not learned this simple fact, then now is the best time to get the lesson across.

Renters Insurance can be your friend: Renters insurance is always available, and for the most part it’s practically dirt-cheap. Not to mention in some cases, your homeowner’s insurance policy might provide the coverage you seek. Granted the most common negative of using your homeowner’s insurance is that the property is subject to your homeowner’s deductible in the event of a claim. Thus getting a standalone renters insurance policy is the better route to take (due to providing access to a lower deductible).

A little planning can go a very long way. Spending a little money upfront could save thousands down the road. Plus, the simple life lessons taught to your young adult from the above points will go a very long way.

MESSAGE FROM OUR ACTIVITY MANAGER

Exciting Times

MICHAEL REZNICEK
State Director & Fraternal Activity Manager

T o kick off the Month of May, we celebrated a beautiful Mother’s Day on May 12th. Some of us celebrated with our mothers near and far, while others honored our mothers that have gone to be with our Lord.

On May 15th, I had the privilege to present Ethan Mock with a KJT State Scholarship. He was a graduate at Clements High School in Sugarland Texas, and a member of Society #29 Frydek. Then on May 20th, I had the honor of presenting Hunter Havel with a KJT State Scholarship. He was a graduate from Sealy High School, and also a member of Society #29 Frydek. Both of these young men received top honors, several awards, and scholarships. Well done gentlemen and keep up the excellent work.

On May 21st, we had our board meeting with Father Bob Knippenberg who opened the meeting with a celebration of Mass. The inspiration from the Holy Mass and Father Bob’s homily moved the board forward in a very positive manner.

Then on May 24th, 25th and 26th we were off to Ennis Texas for the National Polka Festival. This year President Chris Urban, Vice President David Wagner and I had the privilege of riding in the parade through downtown on the KJT Society #35 float. State Director Tanner Schlottman pulled the float with live music played by the Moravians. I had a great time seeing so many people along the parade route. After the parade ended, we headed downtown to our KJT booth where our media director, Stephanie Prihoda, and my wife, Melba, were signing up contestants for the kolache eating contest sponsored by our KJT State Home Office. The contest was a great fun-filled event. We had an excellent location for our booth, located right next to Mike Landfield’s Holy Smoke Sausage booth and almost across from the bandstand. After the contest, we packed up and headed over to the KJT hall, where we were greeted with great hospitality from Ennis Society #35. Thank you to everyone involved in the hugely successful festival. I’m already looking forward to 2020.

May 27th, Memorial Day, we stopped to remember all those who have given their lives for our freedom today. June 8th, I was off to East Bernard for the annual Kolache Klobase festival sponsored by KJT Society #40. The KJT State Home Office sponsored the kolache eating contest again this year. We had a great team with President Chris Urban, Vice President David Wagner, Media Director Stephanie Prihoda, State Director Margaret Holik and her husband Charles and myself to present this event. We had a great turnout. A big “Thanks” goes out to Society #40 President, Big Ed Marik and all the members for their dedication, hard work, and hospitality to making this a great success.

As I write this article, we are looking at the upcoming Father’s Day. We honor our fathers here with us and those that have gone to heaven to be with our Lord. As a father myself, I love and am so proud of my three son’s Michael Jr., Allen, and Aaron of what they have become, and of their spouses and my granddaughters. The Lord has truly blessed me.

I will be looking forward to the upcoming events of the 4th of July and Family Day on July 21st.

As always, thank you for the opportunity to serve as your State Director Position 3 and Fraternal Activity Manager.

MESSAGE FROM OUR SPIRITUAL DIRECTOR

Prayer for Our Government

Here is an excerpt from a prayer entitled Prayer for Our Government penned in 1791 by the first Archbishop of the United States, Archbishop John Carroll:

We pray O God of might, wisdom and justice, through whom authority is rightly administered, laws are enacted, and judgment decreed, assist with your Holy Spirit of counsel and fortitude the president of these United States, that his administration may be conducted in righteousness and be eminently useful to your people over whom he presides; by encouraging due respect for virtue and religion; by a faithful execution of the laws in justice and mercy; and by restraining vice and immorality.

Let the light of your divine wisdom direct the deliberations of Congress, and shine forth in all the proceedings and laws framed for our rule and government, so that they may tend to the preservation of peace, the promotion of national happiness, the increase of industry, sobriety and useful knowledge; and may perpetuate to us the blessing of equal liberty.

It is an excellent prayer especially for the times we live in now, over 200 years later, to remind us of the crucial role faith and prayer has always played in our nation since its beginning. Also, each year on July 4th, Independence Day, we can especially pray for our government as we are commanded to do in Sacred Scripture:

I desire therefore, first of all, that supplications, prayers, intercessions, and thanksgivings be made for all men: For kings, and for all that are in high station: that we may lead a quiet and a peaceable life in all piety and chastity. For this is good and acceptable in the sight of God our Savior, Who will have all men to be saved, and to come to the knowledge of the truth.

(1 Timothy 2:1-4)

Richard Benedict Janda
February 6, 1920 - May 23, 2019

Richard Benedict Janda was born February 6, 1920 in La Grange, Texas. After a long and blessed life, he passed away peacefully in San Antonio on May 23, 2019 at the age of 99.

Richard was preceded in death by Martha, his wife of 50 years, and their son Donald. Richard's siblings Martha Hoffmann, Lad Janda, and Annie Janda all predeceased him. He is survived by children Loretta Valenta; Richard (Dick) Janda and wife, Sandy; Delores (Lori) Gilliland and husband, John; Diane Janda; five grandchildren; and six great-grandchildren.

Richard started playing in "The Henry Janda Band" (his father) when he was only 10 years old. When he joined the Service during WW II as an accomplished trombone player, he became a member of his Unit's Army Band. Upon discharge, when the war ended, he moved to Austin and was employed by J. R. Reed Music as a band instrument repairman for 18 years.

In 1964 he opened his own business, "Richard's Music Center"; in Austin and provided sales and service for band and orchestra instruments. Over the ensuing 44 years he developed a special love of string instruments and he repaired and serviced violins and guitars for professional musicians, schools, and students until forced to retire in 2008 at age 88 due to failing eyesight.

During those working years he found time to be an active member of the KJT (Czech Catholic Fraternal Organization) and served as President of the St. Stephen's Society. He also earned the title of "Consulting Rosarian" with the American Rose Society and served as President for the Austin Society. His beautiful homestead was adorned with over 300 rose bushes often in full bloom. Other hobbies included fishing and playing dominos. His favorite sports teams were the New York Yankees, Dallas Cowboys, and the Texas A&M Aggies.

Richard was a devout Catholic and an active member of St Ignatius Martyr Parish and later at St. Louis King of France Parish. He was also very proud of his Czech heritage.

We wish to give special thanks to the caregivers at St. Francis Nursing Home in San Antonio for their loving care during his last two years of life.
SOCIETY MINUTES

KJT Society #80, Sealy
Bernice Stolarski

Officers met at 6 p.m. to discuss the agenda. The meal was served at 7 p.m. by Bernice and Bennie Stolarski. The regular meeting opened with a prayer and the Pledge of Allegiance led by President Larry Kuciemba.

Next, Society #80 scholarship winner Morgan Janda and her mother were introduced and pictures were taken. The minutes were read and approved with one correction. The treasurer’s report included checks received from the home office for the 2% refund, for participation in a youth activity; growth incentive, and Level II award. Barbara Hajdik gave the CCSF report.

Members approved the purchase of a book of raffle tickets from East Bernard Society #40. Bernice Stolarski reported on Join Hands Day. More discussion was held on a church project but the items were tabled pending more information.

Plans were made for the Flag Day ceremonies at all the masses at Immaculate Conception Church on June 8 and 9. The next meeting will be July 23. The meeting closed with a prayer, and then some members stayed to play Rummikub and dominoes.

KJT Society #72, Corpus Christi
Beverly Mokry Holman,

KJT Society #72, Corpus Christi held their annual meeting June 1, 2019, at Moravian Hall at 2pm. The society presented a $1000 Scholarship to Madysen Zdzansky. Madysen is the daughter of Michelle and a Harry Zdzansky.

We began planning for the District Family Day scheduled for October 20, 2019. It will be a Halloween Costume Party. Come in costume and enjoy. We are asking each family to bring a covered dish.

Pictured to the right is Alana Williams who guessed correctly the amount of jellybeans in a jar and won a beautiful framed picture. The Society’s next meeting will be on September 8th, 2019. We all enjoyed a Spaghetti dinner with all the fixings, followed by the Society Youth serving us with ice cream for dessert.

KJT District XI Minutes
Henry Netardus, Secretary-Treasurer

The 2019 District XI meeting, hosted by KJT Society #87, Jourdanton, held its meeting at the St. Matthew CCD Center. The meeting was brought to order by District Vice President Jacqueline Moczygemba at 11:30 a.m. Members of KJT Society #81 Poth and KJT Society #87, Jourdanton were in attendance. KJT Society #126, New Braunfels and KJT Society #102, San Antonio were absent.

The opening prayer was led by Vice President Christopher Urban about the termination, he stated if the membership present at this meeting voted to do so, the district could be terminated. Further discussion indicated that most of the state activities and programs are discussed at the annualSDOR meetings and that information could then be presented for that meeting. As for as the fraternal portion of the district meeting (family activities after the meeting), the two remaining societies would invite each other to their respective society activities in November and December. A motion was made, seconded, and approved to terminate the district by all present.

The next order of business was in regards to the state charities. After a discussion, a motion was made, seconded, and approved to make a donation of $50.00 each to the priest and religious retirement fund, seminarian education fund, and KIDS Unlimited Foundation. Since there was no further business to be brought before the floor and no state representative and officers present, Vice President Moczygemba thanked all present for attending and society #87, Jourdanton for hosting the meeting. VP Moczygemba had the final prayer and blessing before the meal. All enjoyed sausage, sauerkraut, green beans, funeral potatoes, tea, and desserts. Ten games of Bingo were played afterward to end the meeting.

Reminder:
Starting in 2019, all calendar events will be posted in the newspaper, on the website calendar and a Facebook event will be created as well. If your society has a Facebook page, like it now so that you can stay caught up with the latest in your area.

We all enjoyed a Spaghetti dinner with all the fixings, followed by the Society Youth serving us with ice cream for dessert.

Please remember to update your records at the KJT Home Office periodically. With the turn of the century, home phone lines are becoming extinct, and most of us use our cell phones as our main lines. It’s important that we have up-to-date communication information here on record. We are proud to personally deliver membership notices, and make it part of our success that we recognize those who have been a part of our organization for so long.

DID YOU KNOW?

Sharks!!!!

- Sharks do not have a single bone in their bodies. Instead they have a skeleton made up of cartilage; the same type of tough, flexible tissue that makes up human ears and noses.
- Some sharks remain on the move for their entire lives. This forces water over their gills, delivering oxygen to the blood stream. If the shark stops moving then it will suffocate and die.
- Sharks have outstanding hearing. They can hear a fish thrashing in the water from as far as 500 metres away!
- If a shark was put into a large swimming pool, it would be able to smell a single drop of blood in the water.
- Although most species of shark are less than one metre long, there are some species such as the whale shark, which can be 14 metres long.
- A pup (baby shark) is born ready to take care of itself. The mother shark leaves the pup to fend for itself and the pup usually makes a fast get away before the mother tries to eat it!

HOW FAR CAN A FOX RUN INTO THE WOODS??

Answer: Only halfway, otherwise it’s running out of the woods.
